

Sacristan Reminders

Plan to arrive 30 minutes before Mass

Check Ciborium in the Tabernacle to see how many consecrated Hosts

Check credence table for all items. Refer to Sacristan Instructions Booklet.

After Mass please wait until music is finished before clearing the credence table

Place used/stained linens (purificator, finger towel, corporal) in silver bowl filled with water

Large ciborium holds 400 Hosts

Other ciborium hold 150 – 175 Hosts – do not fill these all the way to the brim. It's difficult to get the tops off and can cause Hosts to spill out. Better to put an additional ciborium out than overfilling one.
