Pray with Us-Celebrate With Us

We are live-streaming our weekend 11:15 am Mass on our Facebook Group. Just look for "Saint John XXIII Catholic Center at UTK." There are also great resources on the USCCB website, the Diocese of Knoxville website, and Paulist.org/WatchMass. Be sure we have your email address so you can get information about our Zoom meetings as well for more seminars and activities!

Tuesday Night Events

We are planning some ongoing Tuesday Nights Events. In the following weeks we are looking at a Bible Study with Fr. Bob, focusing on the readings for the coming Sunday. They will be ZOOM events, starting at 7 PM.

Pandemic Emergency Fund

Our parish continues to serve the community, while experiencing a budgetary shortfall. At the same time we all face increased demand for assistance to others. St. John XXIII has established the "Pandemic Emergency Fund" designed to supplement our parish deficit (50%) and to assist the following groups (50%): Smokey's Food Pantry (UT campus); FISH Pantries; Office of Hispanic Ministries; Catholic Charities of East Tennessee; Holy Ghost parish outreach and the Volunteer Ministry Center all of which work to meet food and housing needs. Your donation to the Pandemic Emergency Fund will be divided equally between the parish budget and outreach to the community and greatly appreciated. Donations can be made online at www.john23rd.org or the memo line of your checks should be marked "Pandemic Emergency Fund" and mailed to the parish.

As of Monday, June 15th, your generosity has totalled \$7,025 with \$3,512.50 going to St. John XXIII and \$3,300 donated so far to the above groups. Checks are written in \$300 increments, so the balance of the donated funds will go on the next written check.

The Knox County Catholic Jail Ministry

'...I was in prison and you came to visit me.'
(Matthew 25:36)

Jesus calls us to corporal works of mercy. Are you being called to visit those in prison? It is not a mission that calls believers to an individual mission. To work in a jail, one needs to be sponsored by a church or diocese and vetted by the Sheriff's department.

But the call comes from within and is deeply personal. Participation in your parish and a deep belief in the forgiving love of Jesus is important.

Catholic Jail ministry is a ten year tradition in the Knox County Jail. Prisoners recruit other prisoners by word of mouth to provide our participants. About 20 volunteers from all Knox County Parishes minister to maximum and minimum security men (Saturdays 11 AM and 1 PM) and women (Wednesdays 7 PM) every week. Priests celebrate Mass once a month.

If you are interested, please call either Bob Denne (865-384-1318) or Geraldine Mulligan (865-243-7052). None of us came into this qualified, we were simply called.

Check out our website at www.john23rd.org for online giving, alternate worship options, and updated information. If you are not comfortable with online donations, we are still in the office to receive any mailed donations. Thank you for your help and we look forward to seeing you again!

A Note From Our Social Concerns Committee

COVID-19 is bringing out the goodness in people as we live through this crisis. However COVID-19 is also exposing the weaknesses in our communities that may be causing this crisis to be much worse for some people, especially for those already struggling. After COVID-19 will we address these underlying weaknesses that will remain? Will we speak up for changes that truly address the root causes of poverty, regardless how hard people try to overcome it?

Currently, government checks are beginning to help many. If you are able to use some of this to make a contribution to our parish above what you normally do, half of it would go to the parish and half could be channeled by the Social Concerns Committee to people with urgent needs during this pandemic. Our God calls us to take care of one another. Jesus lived compassionately and taught us speak out for justice to bring about God's kingdom on earth for all people. Pope Francis, in a recent letter, wrote on the pandemic: "I hope that this time of danger will...shake our sleepy consciences and allow a humanist and ecological conversion that puts an end to idolatry of money and places human life and dignity at the centre. Our civilization - so competitive, so individualistic, with its frenetic rhythms of production and consumption, its extravagant luxuries, its disproportionate profits for just a few - needs to downshift, take stock and renew itself." Let us heed Pope Francis' words and find ways to not only extend charity, but also to ensure justice for all people, especially the marginalized. Be informed. Speak out. Contact and communicate with helpers, leaders and those with power. Above all, pray that each of us hear God's call and faithfully answer, "YES. AMEN."
