The Deacon's Corner...
A Pandemic

We have been living in a pandemic world this year. In the United States alone over 220,000 have died of the COVID-19 virus. We pray for all of them and their families. Sad that a virus should take so many lives.

There another pandemic however, and it's more serious the COVID-19...**it's called abortion.**

Allow me to tell you about this pandemic. Since 1973 it has taken over 600,000,000 lives. Last year alone it took the lives of some 900,000 innocents who lost their lives to this dread...God's children who never got to see the light of day.

The Biggest Killer of Americans is not war, not viruses, not heart attacks...it's ABORTION...a mortal sin. We are living in the *culture of death*, a disease more dangerous that anything this world has ever known.

There's an organization which performs one-third these abortions annually, receives over \$600 million in tax payers money, founded by a lady (loosely used) named Margret Sanger for the purpose of reducing black population and 35-40% of its business comes from black mothers It's name...Planned Parenthood.

The Catholic Church has been working diligently to making abortion, not only rare, but illegal; as well as, reversing the 1973 Roe v. Wade Supreme Court decision legalizing abortion.

We need to pray hard that abortion is eliminated in our nation and throughout the world.

Where would you and I have been if we had abortion minded parents? I thank God every day that my parents were for life – not death.

We need to pray hard that this heinous crime is eliminated! I offer this prayer:

Eternal God, You have revealed Yourself as the Father of Life. We praise You for your Fatherly care which You extend to all creation, especially us, made in Your image and likeness.

Father, extend Your hand of protection to those threatened by abortion, and save them from its destructive power. Give Your strength to all fathers, that they may never give into the fears that may tempt them to facilitate abortions.

Bless our families and bless our land, that we may have the joy of welcoming and nurturing the life which You are the source and the Eternal Father, Amen.

We are a People of Life...God Bless...Deacon Loris
