

2020-2021 MEMBERSHIP

The Shrine High School & Academy Mothers' Club is a service, social and fundraising organization dedicated to cooperatively assisting our community to further its academic, spiritual and personal goals. All mothers of Shrine High School & Academy students automatically belong to the Mothers' Club. Throughout the year we

- Hold meetings to share school information
- Assemble volunteers for school events
- Fundraise and financially contribute to items such as classroom supplies, student leadership programs, the arts, and the book bank
- Support Catholic education and offer prayer & other assistance for our families
- Hold annual events that create memories
- Provide current and alumni moms a chance to stay connected

In order to provide all these services, we request a voluntary donation from each family to support our goals. We gratefully accept any and all contributions. \$25 is the suggested donation and you will receive a printed student directory when available.

Please make checks payable to: Shrine High School & Academy Mothers' Club

Deliver to High School Office in envelope marked "Mothers' Club"
