

2021-22 School Year Costs

By providing a means for ALL families to afford Roncalli Catholic Schools, we can fulfill our mission; no one pays the total cost of education. The Maximum Parent Contribution is already reduced by parish investments, fundraising revenue and other generous donations. Flexible Tuition allows us to assist more families whose circumstances require financial flexibility.

Flexible Tuition means that we look at your individual family circumstances to determine your tuition contribution toward the cost of education.

Additional ways families can reduce their school costs

Scrip can be used to purchase gift cards for frequent or one-time purchases. Your portion of the revenue you generate is applied to your account.

Hosting an international student gives families a discount for their own student. Some programs provide a monthly stipend for the host family.

Wisconsin Tax Credit can be claimed for private school tuition.

Wisconsin Parental Choice Program (WPCP) pays for qualifying students. Once accepted into WPCP, it covers the student through graduation.

Additional scholarships are available to freshmen, members of some parishes or Catholic Financial Life families.

Education Savings Accounts, such as 529's and Coverdell, may be used for K-12 tuition.
