The Brothers and Sisters are called by God to seek this life through profession of the evangelical councils.

APOSTOLIC POVERTY
so that others might know the wealth of Jesus.

CHASTITY
so that others might be wed to our Lord.

OBEEDIENCE
so that others might know the freedom of co-heirs to His kingdom and the divine authority of He who first humanly obeyed.

We also hold dear...

SUBSTANTIAL SILENCE
so that others might come to know the presence of the Constant Companion.

PRAYER so that others might experience the driving action of Jesus’ love in their life.

PENANCE so that others might turn to the comfort of the Spirit of Christ in their lives.

Thank you for your interest in the Monastic Expression of our community!

WHAT DO YOU SEEK?
Have you considered a call to be a celibate brother or sister?
Is Jesus Calling you to take a deeper walk with Him?
Are you looking for authentic spiritual friendships that support you in the walk?
Are you called to live the gospel more intensley?

COME AND SEE!
The Brothers and Sisters of Charity is a Catholic based community made up of an integrated expression of celibate brothers, celibate sisters, families and singles and a domestic expression of those who live throughout the world in their own homes. The base of the community is monastic. The monastic expression is integrated. The Motherhouse of the whole community is the Little Portion Hermitage outside of Eureka Springs, Arkansas in the diocese of Little Rock.

The monastic expression exists under one Scripture rule, and under the leadership of our Founder, General Minister and Monastic Father... yet each expression has its own distinct leadership and written guidelines, our Directory.

As such, Jesus is our primary rule, and our primary law or constitution is love. The monastic expression of our community is integrated, including a celibate brotherhood a celibate sisterhood, a family monastic expression and a single category. We integrate the Benedictine and Franciscan, the monastic Christian east and west, and the solitude of the hermits or eremitas of Antony of the Desert and the koinonia fellowship of the cenobies of St. Pachomius of the Desert. On a modern level we integrate the structured and spontaneous, liturgical and charismatic spiritualities.

The monastery is a school of the Lord’s service and the stable alternative lifestyle base from which various ministries overflow to the world. As such, the monk or one that lives for God and God alone, alternates between ecologically sensitive manual labor to provide for the needs of the monastery and the poor, and prayer for the salvation of souls.

We are unique with much to offer! Are you:
- Under 45 years old
- Single
- Out of debt
- In good physical & spiritual health

Note: Candidates will be asked to provide letters of recommendation from your employer(s) and Pastor.

If so, please call our or write our Vocations Director for more information! (see the reverse page for complete contact details.)

The Rule of the brothers and sisters is the cross of our Lord Jesus Christ.

We should be troubled about nothing except this all encompassing rule.

All that matters is that one be created anew.

Gal. 6:14-15
