

Our Lady Undoer of Knots Wedding Service Offerings

We are honored to help make your wedding the most wonderful day of your life.

We are two inclusive faith communities, one in the Catholic tradition and one in the Episcopal tradition. We share the same church space in Pikesville MD. As inclusive communities, we offer our services regardless of gender, orientation, gender identity, previous marital status, etc.

We can preside over your wedding ceremony. We can guide you through your exchange of vows and rings. If you seek a full church wedding in the Episcopal or Catholic traditions, as ordained priests, we can incorporate your wedding in a full Eucharist liturgy. We can also help with obtaining your marriage license and providing you with a ceremonial copy on the day of the wedding. We will also mail a copy to the court copy via certified mail with return receipt to ensure it's all official. We have facilities and other services and can even help with pre-Cana counseling.

Here is a summary of our offerings and suggested costs. That said, we are a church not a business. If your financial condition is very tight – talk to us and let's see what we can work out.
