Important reminder from Bishop Crosby:

DIocese of Hamilton

At this time, it is important to remind everyone that all of the protocols for liturgical celebrations in place in the Diocese of Hamilton are to be strictly observed, without exception. These include the mandatory use of masks in all of our churches, physical distancing, the prohibition against choirs during this time, and the reception of Communion in the hand only. These norms apply to celebrations of the Mass in the Ordinary Form and in the Extraordinary Form, and to all sacramental celebrations. Only the priest, the lector and cantor are permitted to refrain from wearing a mask when exercising their particular ministries in the sanctuary. Priests and Extraordinary Ministers of Communion are required to sanitize their hands before and after distributing Holy Communion. **Failure to comply with all of the protocols presently in place risks the closing of our parishes and our inability to gather in our churches for Mass, Adoration and the celebration of the Sacraments. – Bishop Crosby**

Pope's November Prayer Intention: Artificial Intelligence

Pope Francis calls us to "pray that the progress of robotics and artificial intelligence may always serve humankind." Artificial intelligence is at the heart of the epochal change we are experiencing. Robotics can make a better world possible if it is joined to the common good.

Indeed, if technological progress increases inequalities, it is not true progress. Future advances should be oriented towards respecting the dignity of the person and of Creation.

Let us pray that the progress of robotics and artificial intelligence may always serve humankind... we could say, may it "be human." - Pope Francis

Gospel Reflection Sun Nov 15, 2020

In today's Gospel, Jesus delivers the parable of the talents; using the example of money rather than abilities or skills. It's a story about investments, risks and returns. Stewards understand that God has given them an abundance of spiritual gifts. They know God doesn't want them to simply receive these blessings and bury them in fear, but to multiply them; to use these gifts to serve Him and others; to spread Christ's Good News; to go and make disciples of others. Good stewards invest what God has given them in the service of others and are prepared to render an account when the Lord returns. Reflect this week on how you are returning your own God-given gifts back to God with increase.
