Gospel Reflection:

Second Sunday of Lent Weekend of February 27/28:

The Gospel story of the transfiguration of Jesus holds many lessons; the most prominent being the transformation of Jesus from simply being perceived as a wise and gifted prophet to the one who has fulfilled the sacred traditions of the Mosaic law and the hope of the prophets, the Messiah, the Christ. The Lord calls his stewards to participate in His redemptive activity. Heeding this call requires transformation, being willing to renounce patterns of behavior that draw us away from God. In this coming week of Lent, let us pray for the grace to be transformed, so that by our goodness and generosity, we may walk more authentically in the footsteps of Jesus.
