

Dear New SAM Parents,

As part of our Earthquake/Disaster Program, we are requiring parents/guardians to provide Personal Comfort Kits for your student(s). The school provides emergency trauma and first aid kits. Personal Comfort kits will be returned at the end of the school year if not used. Some of these items may be used again, but others will need to be replaced annually. Please enclose the items below in the gallon Ziplock bag provided (no larger) with your child's name, teacher and grade written on the outside.

**Personal Comfort kit includes:**

- 1      Gallon Ziplock Bag to hold contents (Freezer strength)
- 1      Personal note to your child and/or family picture (optional)
- 1      Card with out of state telephone numbers
- 1      Pocket-size flashlight (optional)
- 2-3    Granola bar or power bar or crackers
- 1      16oz. of water

Thanks again for your attention to this important part of our school's emergency plan. If you have any questions regarding these preventative measures, please call the school office at 714-529-6372.
