

WE ARE 3's AND AS BUSY AS

S!

The week of October 5th-9th

These next two weeks we will be celebrating Fire Prevention Week and learning all about dinosaurs! Exciting times for these little ones! We will be trying to walk like dinosaurs, with big bags tied to our feet. We will do some dinosaur dances and finger-plays!

We are learning the letter Dd, the number 5, triangle, and the color orange.

Please remember to empty your piggy banks and send the children with money for our “baby bottle”. All proceeds will be given to the Women’s Pregnancy Center. We might even win a Pizza Party if we raise the most money!
