

WE ARE 3's AND BUSY AS

S!

I am delighted to be teaching your child this year!

My name is Martha Hurta. I have been a public school teacher for 25 years. I have taught all levels, Kindergarten-12th grades. I am currently readying for my tests to be certified in Early Childhood education.

I started my teaching career in Bay City at BCJH and McAllister, teaching choirs. I then moved to BCHS, where I taught until I started a family. I have 3 grown sons, who were raised in Bay City, and 3 grandsons.....no braids or bows for me, I guess!

I moved to San Antonio for several years to care for my mom. I taught there and in Bastrop before returning to Bay City 3 years ago. I taught at BCJH for a year, and at Linnie Roberts for 2 years before starting here at Holy Cross.

This will be a very busy year for us! I hope your little one will love being here with us, and will grow to love learning.

Please know that I am here to answer any questions that you may have. I am always open to learning more about the uniqueness of your special child.
