Hello from the Library!

We are looking forward to our first Book Fair of the school year, October 5-9. The kids always enjoy shopping at the book fair and we enjoy watching them get excited about books! In previous years, parents were able to shop the book fair with their child during the child's lunch time. Because of COVID, the children are eating lunch in their classrooms and will not be coming during that time. Parents and students may shop the book fair before and after school, with COVID guidelines in place. All who enter the building must have a temperature check and wear a face shield. We will be practicing social distancing as well. With all of this said, we still want the book fair to be a fun time for you and your children! We look forward to seeing y'all there!

Happy Reading!
