3.) Research your saint and write a 1-2 page typed paper on the following:

- Who is your saint? When and where were they born? How and when did they die?
- Tell us about their faith journey. What did they do that was considered special?
- What were their struggles? Did they suffer? If so, how and why?
- What is your saint's feast day? Are they a Patron Saint, if so of what?
- How is your saint a role model of faith?
- Conclude your paper with an explanation of why you chose them for your Confirmation name.
