

A Message From Fr. Van Vliet

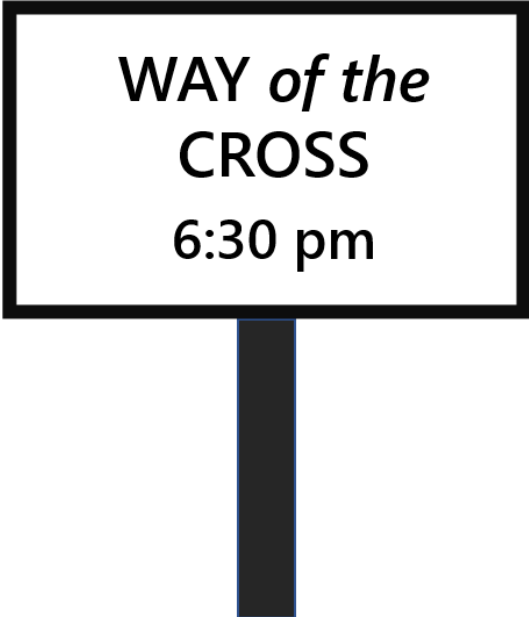

I pray that all of you are faring well despite this week's freezing temperatures. The parish experienced water damage in the sacristy due to a busted pipe that has since been repaired. We are in the process of drying the affected walls.

Please note the following changes to our Friday schedule.

This Friday, Feb. 19

The Way of the Cross will be held, as planned, at 6:30 p.m.

Only come if it is truly safe to do so. If there is still icy conditions, *please* pray from the safety of your home.

**WAY of the
CROSS
6:30 pm**

The Fish Fry and Men's Recollection are cancelled.
