During yesterday's homily, Father Wojchick recounted the story of the wise man who built his house upon the rock; while the foolish man built his house on sand. He reminded us that the Bible, God's word, is our modern day rock! If we read, listen and follow His word, our house will stand strong and firm.

This season of Advent is a perfect reminder to renew our relationship with the Lord. Saint Augustine said, "God thirsts that we may thirst for Him." I hope that you take the time during the hustle and bustle of the Christmas season to seek the Lord with your whole heart. Let go of anything that is standing in the way of keeping your "house" strong and firm. Renew your relationship with God. Resolve to spend some time in quiet prayer with Him during Advent. Your "house" will thank you for it!

Blessings,
