SUPPLIES NEEDED FOR OUR NEW S.T.E.M. PROGRAM. ANY DONATIONS WILL BE GRATEFULLY ACCEPTED!

St. Philip's Catholic School is excited to be offering a science, technology, engineering, and math (STEM) program for the 2020-2021 school year. The STEM program will expand students' understanding and appreciation of science in their everyday lives. STEM education creates critical thinking skills, increases science literacy, and enables the next generation of innovators. The program is designed to train our students to think critically and creatively. Mr. Drew Morris will be moving from 5th Grade to the STEM position.

Thank you to everyone who has already donated to our S.T.E.M. program. If you have any of the following items that your household no longer uses, please consider donating them to St. Philip's S.T.E.M. program:

Legos, K-Nex, Lincoln Logs, Race Tracks and Matchbox Cars and any building supplies.
