We pray in communion with the Church for the monthly intention of Pope Francis: that consecrated religious men and women may renew their commitment to be present among the poor, the marginalized, and those who have no voice.

We pray for those affected by the tsunami and earthquake in Indonesia. May Christ, present in those ministering to them, bring them peace and consolation.

In this Respect Life Month, we pray for expectant mothers considering bringing an end to their pregnancy. May they receive the support and guidance they need to cherish the life in their womb.

We pray for the grace of fidelity in all relationships. May each of us be faithful to our promises and commitments to communities, friends, parents, spouses, and children.

We pray that, through prayer and the guidance of the Holy Spirit, all engaged and married couples will recognize Christ in each other, be united as one in the life they share, and use their vocation to model Christ’s sacrificial love in our world.

We pray for all who are in troubled marriages: that they may receive strength and courage to work to renew their relationships. And that those seeking reconciliation from divorce will receive support during this time of healing and restoration in their life.

We pray that the sick, the suffering, the recovering, and the dying will be restored to health and hope by the limitless compassion of God.

We pray that all the souls of the faithful departed will partake of the Heavenly Banquet…
