We pray for the brave men and women of our military who are currently deployed serving our country, for the service of our nation’s many veterans, and for an end to war and violence throughout the world.

In this Respect Life Month, we pray for expectant mothers considering bringing an end to their pregnancy. May they receive the support and guidance they need to cherish the life in their womb.

We pray for greater reverence of the lives of those in advanced in years, and of those dealing with disabilities and infirmities. May God’s Spirit of comfort be with them through their trials, and may that same Spirit guide those who provide care, assistance, and affirmation to these individuals.
