We pray for healing in the Church: that all who have been victims of abuse will remain faithful to Jesus, who has the ultimate power to heal and grant peace.

We pray for an increase of vocations to the priesthood and religious life: that families and mentors will encourage young people to consider these vocations, and that parishioners Nick Fleming and Joel Seipp, currently in formation for the priesthood, will be strengthened by the Gifts of the Holy Spirit.

We pray for the nations of the world where civil unrest, government corruption, violence, and oppression prevail. May God deliver these people from every obstruction that prevents them from living a dignified life.

We pray for the poor, the suffering, and the outcasts: that our compassion and prayer may reveal the healing and hope found in Christ.
In this Respect Life Month, we pray for the Church’s post-abortion healing ministry: that they will reach out to those suffering after abortion, helping them find peace in God’s limitless mercy.

We pray for our parish’s Respect Life ministry: that their witness in our region will stir the minds of those who do not recognize the sacredness of life in the womb, and inspire conversion of heart regarding all life issues.

We pray for our faithful departed, who have persevered and have died with Christ: that they may now live and reign with him in his heavenly kingdom…and for
