We in communion with the Church for the monthly intention of Pope Francis: that Christian communities, especially those who are persecuted, will feel that they are close to Christ and have their rights respected.

We pray for government leaders throughout the world: that they will be blessed with the Spirit’s gift of wisdom and speak words of truth, love, and mercy.

We pray for those who do not recognize the beauty of life in the womb: that they will undergo conversion of heart and become advocates for the rights of the most vulnerable members of society.

We pray for the poor, underemployed, and unemployed: that justice and dignity may flourish in the workplace, and that these people may be given fair treatment to provide for their families.
We pray for a re-centering of our lives during the coming Lenten season: that God’s grace will guide us to love him more fully and to love our neighbors as we do ourselves, so that we may live forever Christ’s new resurrected life.

We pray for the success of our parish’s Building to Serve capital campaign: that each member of our parish will share generously from the gifts they have been given, so that together we can better minister to our community.

We pray that the souls of the faithful departed will rest in the peace of Christ, especially Frances Edwards, mother of Jim and Laurie Edwards — and Robert Stevens, brother of Mark Stevens…and for…
