We pray for the Church: that the suffering of Christ will be a model of selfless service for us and the entire world.

We for all nations of the world: that they will commit to governing with peace and justice, treating each citizen with dignity and respect.

We pray for all elect and candidates preparing to receive the Easter sacraments: that they will be led by the Holy Spirit and encouraged by their communities to begin their new life in Christ at the Easter Vigil.

We pray for all who have been wrongly accused or condemned to death; who have been humiliated or treated unjustly; who have suffered abuse: that God will heal their pain, renew their sense of dignity as a child of God, and help them to live life fully.
We pray for the grace to empty ourselves: that we may join Christ in letting go of control and relying on the power and love of God to sustain us each day.

We pray for our parish community
