We pray for the Church: that we may recognize the voice of the Lord in our lives, distinguish it from the many other sounds which demand our time and attention, and follow the invitations of Jesus to a fuller life.

We pray for the victims of the shooting at the STEM charter school in Denver, for their families and loved ones, and for the troubled attacker. May the peace and consolation of Christ be with those who mourn, and may the power of the Holy Spirit convert the hearts of those who are considering inflicting violence.

We pray for all mothers living and deceased; for expecting mothers, especially those in domestic crisis; and for mothers grieving the loss of a child. Through the intercession of the Blessed Virgin Mary, mother of all, may these special women be guided and affirmed in their vocation.
We pray for mothers experiencing fertility complications: that they will look faithfully to Christ for trust and patience during their time of frustration.

We pray for all graduates from our parish: that they will use their faith and knowledge to radiate Christ’s light or truth in our world of darkness.

We pray that all the souls of the faithful departed will share in Christ’s victory over death, especially Rosemarie Ryan-Ebert, mother of Michael Ryan…
