We pray in communion with the Church for the monthly intention of Pope Francis: that those who administer justice may work with integrity, and that the injustice which prevails in the world may not have the last word.

As our nation celebrates Independence Day, we pray for the people of the United States: that we will be truly united in building a welcoming society in which everyone can have the opportunity to live with dignity and hope.

We pray for the nations and peoples of the world who long for independence: that their governments will end the reign of violence, corruption, and oppression, and work for the common good.

We pray for the grace to embrace the cross: that we may accept the sufferings of life and allow them to transform us into new creations in Christ.
