ANGEL OF HEALING

Angel of healing,
Sweet angel divine,
True servant of God,
So gracious and kind!
On beautiful wings
Of God's holy light,
She gives me hope in
The darkest of nights.
Bringing God's comfort,
The touch of His grace,
His love, most tender,
His gentle embrace

PEEKING INTO GRADE 5

It has been a great few weeks to be back to school with all these wonderful fifth graders! They are a fun and energetic group who love to work on group activities. The students have been busy doing scavenger hunts in the classroom as well as in their textbooks. They have been learning how to work as a team by completing the "Can You Save Fred?" science experiment. In this experiment, the students had to put a life preserver (a gummy ring) on Fred (the gummy worm) in order to save him from drowning. The catch was they couldn't use their hands! They could only use 1 paperclip each. It was terrific watching to see how the team worked together and what strategies they used. We are going to have lots of fun this year in the fifth grade!
