PEEKING INTO GRADE 1

The first grade class is off to a great start this year! We have been busy learning many new things and doing some fun projects. In science, the students learned all about the five senses. They enjoyed making applesauce on a beautiful fall afternoon and then discussing which of the five senses they were feeling while eating a delicious serving! During the month of October in Religion class, the children have been learning all about The Holy Trinity and Creation. If you walk by our classroom during religion class, there is a good chance you will hear us singing The Holy Trinity song! The students have also been praying a decade of the rosary with the entire school to honor Mary. One of their favorite projects so far in first grade has been our Big Green Monster project that was inspired by the book *Go Away Big Green Monster*. The children were able to use their imagination to design a monster and write full sentences that included their monster's name, favorite food and what they like to do for fun. We are looking forward to a fun school year and learning many new things with all of our new friends!
