Filmed on location in the Holy Land, this study will place you in the midst of the powerful drama of Mary’s earthly life, taking you through her joys ... and her sorrows.

You will learn how she works in our lives today, drawing us ever closer to her Divine Son. Seeing Mary in this way will change you forever.

In Mary you will:

- Visit the grotto of Mary’s home, the cave where Christ was born, and other rarely seen places in the Holy Land.
- See the significance of Mary as you explore the Biblical roots of our beliefs about her.
- Deepen your devotion to Mary as you discover our Blessed Mother in a uniquely personal way.

“Dr. Sri’s amazing teaching and unique insights gave me a deeper understanding and appreciation of Our Blessed Mother.”

—John W.

**Railings:**
The last of our new railings have been installed. It was the handicap ramp on the south side of the church and the back sacristy door railing. All of them were ordered back in November and these were the last of the railings to be installed.

**Fall Study:** See the opposite page advertising our fall Bible study starting in September. The title of it is: *MARY: the Biblical Walk with the Blessed Mother.*

One may ask, why should we have devotion to Mary? Does it take something away from Jesus?

Paul Thigpen in his book: *A Year With Mary* writes: Devotion to Mary is necessary, simply and solely because it's a way of reaching Jesus perfectly, loving him tenderly, and serving him faithfully. Having a devotion to Mary begins to allow me to share Jesus' feelings of gratitude, esteem, respect and love for His holy mother. I can then love and glorify Jesus all the more because I will be imitating and following Him more closely. I will taste something of what Jesus feels for His mother. How can I draw closer to Jesus without knowing this part of His heart?

**Recruiting:** Attention all boys and girls in fourth grade and up. We begin the training of new altar servers starting September 16th. If you are interested, please call Mrs. Ruff at (631) 867-6667 or email booklove83@yahoo.com.

The rehearsal dates are:
- Saturday, September 16: 9:30am to 10:45am *(Revised time due to weddings)*
- Tuesday, September 19: 5:15pm to 6:30pm
- Tuesday, September 26: 5:15pm to 6:30pm
- Saturday, September 30: 11:45am to 1:00pm
- Tuesday, November 7: 5:15pm to 6:30pm *(this is a follow-up rehearsal over a month after the installation.)*

**The Installation Mass will be:**
- Sunday, October 1st at 11:30am for the Spanish servers
- Sunday, October 1st at 12noon for the English servers

Born in Ireland, Fr. Declan is a member of the Missionaries of the
Most Holy Eucharist, a new public clerical association based in
southeast France. It is a small Eucharistic Community founded
 canonically in 2007 for the promotion of Eucharistic Adoration in
the Church. In addition to his missionary work around the world,
Fr. Declan is now offering silent and preached Eucharistic
Retreats in the Seminary of the Immaculate Conception in Huntington. The
spirituality of his association is based especially upon the writings of St. Peter
Julian Eymard, the Apostle of the Holy Eucharist, canonized by Pope John XXIII
at the time of the Second Vatican Council. Fr. Declan completed his formation
studies at Holy Apostles Seminary in Hartford, Connecticut and was ordained to
the priesthood in France on Sunday, June 26, 2016 by Bishop Dominique Rey.

CONTEMPLATING THE CROSS

From somewhere I remember a story about a man who was camping in the wilderness. He had with him his pet dog. Together they would go on hikes and explore the area around their camp. On one of these excursions, the man was attacked by a bear. His dog, who was nearby, saw what was happening and immediately flew into the fray. He was, of course, no match for the bear. Two or three blows from those powerful paws, and the dog was dead. But the distraction allowed enough time for the man to escape. And looking back on the experience, he said, “It’s a painful thing to be died for – even by a dog.”

So it is, and most of us would rather not be reminded of the sacrifices that have been made in our behalf. We especially have that attitude toward the supreme sacrifice – Jesus on the cross. If the truth that He did that for us ever takes hold of our hearts, it will call for some commitment that we may not be willing to make.

I think we instinctively know that. So, most of the time, we look the other way, not wanting to be reminded of the sacrifice that was made in our behalf.

After speaking of His own death, Jesus called on each disciple to deny himself, take up a cross, and follow Him. And He issues to us the same kind of call. The cross is more than a fact of history. It is a way of living, and challenges you and me to live that way.

I remember a story of Fr. Damien addressing his company of lepers on the island of Molokai. Often he had used the phrase: “You, who are lepers.” But, there came a day when he stood before them and said, “We, who are lepers.” It is reported that in that moment the very air became electric. You could have heard a pin drop. For the people knew they were in the presence of one who had found the principle of the cross.

There is no kind of living on earth to compare with that. In the final analysis, it is the only way of life that works for the individual, and the only way that will ever make any real difference in our world. We need to be confronted by the cross.

“CARRY” ON

Deacon Mike
BACK TO SCHOOL 101

One of the things I most enjoy when I am playing golf on a public course is the people with whom I play. Often with someone I know or someone that I have never met before, I usually know quite a bit about them by the fourteenth hole or so, and, of course, they about me. This proved once again to be the case when I played recently in Vermont.

It took me all but six holes, but I then learned that Fred, with whom I shared a cart that day, recently retired from a 40 year career in higher education. Burlington, VT born, raised, and stayed, I first asked him what was the biggest change in the largest city in the Green Mountain State in his lifetime, and he said the diversity of the population. While the size of the city has basically remained the same (roughly 42,000), the demographics of the city have changed over the years, as has happened all around the country. (Interesting Vermont fact, its capital, Montpelier, has a population of 7,500…about 5,000 less than Babylon Village.)

Eventually Fred and I got on the topic of college education. He was a professor of sociology at the University of Vermont for 40 years. We compared notes about the changing characteristics of academia during this span, and Fred lamented what he found during his final years. “Between the reduced support of administration and the lack of communication skills in the students, it was far less enjoyable than it was for most of my years in the classroom.” He sighed and concluded, “All I wanted to do was to teach them how to think.”

This week scholars of all ages will be returning to their classrooms, and it is the intent of all of their teachers to be the same as Fred’s: to teach their students how to think. We know the many temptations that face children in school these days, so we should all be aware of our responsibility for their collective safekeeping. While we may be somewhat removed from actual students, we can still help them. Prayer is the answer to all things, so we can each pray for the child across the street, the niece in another state, or maybe no one in particular. We should ask God that their minds remain open to the lessons before them and that they possess the wisdom to take their studies seriously.

There are a variety of problems that plague our nation. Only prayer and education can eradicate them.

PRAYER

Divine Teacher, one gift that we often take for granted is our intellect. We think that it is ours and ours alone and forget that You have given it to us to do Your Will. Give us the Grace we need to understand this responsibility and to help others…especially the younger generation…to do the same. Please keep our students safe both in and out of the classroom, our teachers focused on what is best for their charges, and our parents supportive of both groups. This we ask in the name of the

Members also volunteer to assist at the Food Drives with Babylon Rotary every few months. We also distribute food to our Outreach clients before the Thanksgiving, Christmas, and Easter holidays. Our members find this work very rewarding in many ways. We meet every other Monday morning. Please consider coming to a meeting to see what we do!

Many people have found themselves suffering with an addiction to pornography. God says, “My saving power will rise on you like the sun and bring healing like the sun’s rays.” Malachi 4:2. You can overcome pornography and other unhealthy sexual behaviors with a professional, science-based Catholic program called: RECLAIM Sexual Health. (Visit their site www.ReclaimsexualHealth.com). Get help or Help Others. Private and Anonymous Online Help 24/7. It is the latest Brain Science cutting-edge technology. Personalized support and Faith Focused.

The Brain Science of Change & Theology of the Body is God’s way out. In 1 Corinthians 10:13 it says, “No trial has come to you but what is human, God is faithful and will not let you be tried beyond your strength; but with the trial He will also provide a way out, so that you may be able to bear it.” Pornography is an addiction. It enslaves the soul and deep shame is connected to it but healing and recovery is possible.

If you or someone you know has a porn addiction, please log onto the their website at: www.IntegrityRestored.com, designed for those who struggle with pornography use and those who may know of someone who is struggling. Here you will learn about the pornography epidemic in America and how porn affects men, women, children and teens. You will learn about the addictiveness of pornography and the recovery process. Wives will learn how to help their husbands as well as how to find healing for their own emotional pain (feelings of hurt, betrayal, etc.). The website takes a unique approach by incorporating Catholic spirituality into the recovery process. Porn reduces the human person to an object for one’s selfish pleasure which is in direct opposition to the beauty of the whole human person that God created in His image and likeness, never to be lusted after but to be loved as a whole person: body, mind and soul.

Courage. This spiritual support group is for men and women who experience homosexual attractions and desire to lead a chaste life in accordance with authentic Catholic Church teaching. The five goals of Courage are:

1. Live chaste lives in accordance with the Roman Catholic Church’s teaching on homosexuality. (Chastity)
2. Dedicate one’s life to Christ through service to others, spiritual reading, prayer, meditation, individual spiritual direction, frequent attendance at Mass, and the frequent reception of the Sacraments of Reconciliation and Holy Eucharist. (Prayer and Dedication)
3. Foster a spirit of fellowship in which all may share thoughts and experiences, and so ensure that no one will have to face the problems of homosexuality alone. (Fellowship)
4. Be mindful of the truth that chaste friendships are not only possible but necessary in a chaste Christian life and in doing so, provide encouragement to one another in forming and sustaining them. (Support)
5. Live lives that may serve as good examples to others. (Good Example)

We presently have a men’s group in Nassau County. If you call 516-623-1400, Ext. 190 and leave your name and phone number, someone will get back to you or email licourage3@gmail.com. **REFLEXIÓN**

En la segunda lectura de hoy, San Pablo exhorta a los Romanos a la administración total de los bienes de Dios. Hermanos y hermanas, El los incita a “...ofrecer sus cuerpos como un sacrificio viviente, sagrado y agradable a Dios.”

Estamos agradecidos esta semana por todos los mayordomos de nuestra parroquia que están dispuestos a ofrecerse a sí mismos y sus dones al servicio de Dios, de nuestros vecinos y de toda la comunidad parroquial.

**Intercesiones por la Vida**

Por el Presidente Trump, y todos los que gobiernan esta nación: por el valor de defender al inocente, y la sabiduría para proteger a los más débiles entre nosotros;

Roguemos al Señor,
Señor, escucha nuestra oración.

---

**La Paz empieza con Nosotros**

**DÍA LABORAL**

La paz exige el trabajo más heroico y el sacrificio más difícil.

Exige un mayor heroísmo que la guerra.

Exige mayor fidelidad a la verdad, mucho más perfecto y pureza de conciencia.

Thomas Merton
