May 6, 2018 ~ Sixth Sunday of Easter
Dear Brothers and Sisters in Christ,

Capital Campaign Gift Recognition
St. Joseph Church Centennial Campaign has come to an end. With the conclusion of the Campaign, I am happy to announce a plan has begun for the recognition of those donors who have completed their pledge of $3000.00 or more. Guidelines for the five levels of Gift Recognition were given in the Centennial Campaign Booklet. If you were at one of those levels, you will receive a letter in the mail. Kindly complete the form enclosed with the letter to reflect the way in which you would like the donation to be acknowledged in the brass Memorial Book which will be mounted in the church. Please return the form to the Parish Center by Friday, June 22, 2018.

I am grateful to have Mary Alice Markham assisting us in bringing this aspect of the campaign to completion. If you have any questions please contact Mary Alice at 631-669-417 or email markham96@optonline.net.

Helping Mary Alice are Linda Burke and Mary Oehrlein who were members of the Centennial Committee. Thank you so much ladies. On behalf of our parishioners, I am grateful for your generosity and your commitment to St. Joseph’s.

Please join us:
Our annual Golf Outing is coming up on Monday, May 21st. Every year this is a fundraiser for our parish. This year the money raised is going to the parish and its ministries. There are many ways you can participate in supporting the Golf Outing. You can join us for golf, setting up your own foursome and/or come to the evening dinner (tickets are on sale this weekend). There will also be great raffle items at the dinner. You can also support the golf outing through sponsorship opportunities, 50/50 tickets and more.

Organ Donated:
I am happy to share the good news with you that due to the generosity of some of our parishioners, they have donated a musical Organ for the Monsignor Nolan Hall. The organ arrived this past Wednesday. Our music director, Dr. Marie Drohan, played it shortly after it arrived and is extremely happy with its quality. In the Hall, we have our two parish Confirmation Masses at which we have close to 1,000 people attending each Mass. The organ will be a blessing for these Masses. We also have Christmas Masses, Easter Masses, and weekly Sunday English and Spanish Masses. This gift will be a blessing to the parish. After consultation with the diocese, they agreed that this will definitely be an asset to the parish and supported us in receiving this gift from these parishioners. The organ is a used instrument but in excellent condition. Thank you to our generous parishioners.

First Holy Communions:
We have begun celebrating First Holy Communions in the parish, so please keep our young people and their families in your prayers. Our prayer is that their love for the Eucharist will grow within their hearts leading them to worship weekly with us, if they are not already doing so. Also, to spend time with Jesus in the Blessed Sacrament in our Divine Mercy Chapel, doing a Holy Hour with Him.

Have a great week encountering the Father’s love and mercy. Remember, with Him in you, you can do the unthinkable, unimaginable and even forgive what you think is unforgiveable.

Peace and blessings,
Fr. Charles, Pastor
Ascension Thursday
This Thursday, May 10th, we celebrate Ascension Thursday. It is a Holy Day of Obligation so please consult the bulletin for Mass times. On this special feast day, we celebrate that Jesus ascends into heaven and takes his seat at the right hand of God the Father. He tells the apostles to remain in prayer while in Jerusalem and that He will send them the Holy Spirit. Nine days later Jesus sends the Holy Spirit upon them in the upper room. Nine days from this Thursday we will celebrate Pentecost Sunday, the coming of the Holy Spirit, which is the birthday of the Church.

Are you Called?
It is a true blessing to serve at the table of the Lord during Holy Mass. Therefore, to give more people this opportunity I trained several adults this week to be altar servers at the weekday 9 am Mass Monday through Saturday. If you feel called by God in your heart to become an adult altar server at the 9 am or 7:45 am Masses throughout the week, please call Linda at (631) 835-3125. Thank you to all who have said yes to the Lord.

Catholic Ministries Appeal:
This year, 2018, our goal has been set for $138,100.00 by the diocese. Already parishioners have pledged $93,920.00. We are off to a good start. If you have not had the opportunity to give to the Appeal please consider doing so. So far we have met 68.0% of our goal in pledges. Thank you for your support of the Catholic Ministries Appeal and the great work that it does for thousands of people in need across Long Island.

Thank You:
I wanted to offer a word of thanks to the 350 parishioners who come each week and spend one hour in prayer before the Blessed Sacrament in our Divine Mercy Chapel. Because of you, we can have extended hours of Adoration in the parish. I know that there are some people who can only stop by and spend a few minutes with the Lord, but you make it possible for them because the Chapel is open due to your faithfulness. I encourage you to continue to be faithful to the hour you signed up for so we have at least 2 Adorers in the Chapel for each hour. Our total present hours of Adoration are Monday, 7 am to 10 pm, Tuesday, 8 am to 10 pm, Thursday, 8 am straight through to Friday, 12 midnight. We would like to increase the hours to include Wednesdays. Therefore, we would like to see if we can cover the hours Tuesday, 10 pm going through the night into Wednesday ending 10 pm. If you are willing to do an extra hour during this time or sign-up for the first time, please call Janet at (631) 671-1696 or Claudia (Spanish) (516) 203-5221. See the bulletin for details.

Liturgical Ministers:
On several occasions over the past two years, the Parish Priests have come to me to express their desire to have the Church sacristy be a more reflective place for them before Holy Mass begins. They would like it to be an atmosphere that provides them the ability to prepare spiritually and mentally for the Mass. This is definitely a good thing, which I myself would also appreciate, but it is equally important for liturgical ministers to come into the sacristy in order to sign-in for the Mass and say a prayer with the presider before the liturgy begins. Therefore, we want to hold both of these goods in balance so we will move the sign-in for the Mass to the front lobby of the Church. The Priest will then meet the liturgical ministers in the lobby by the stairs leading to the choir loft to say a prayer with them before the Mass begins. With this new procedure, we can hold both of these goods in balance.

REFLECTION FOR TODAY

Jesus’ commandment is that His disciples love one another, even to the point of laying down their lives, if necessary. What gifts of myself – my skills and talents, my time and resources – will best demonstrate my love for God’s people?
Welcome

Our pastor, Fr. Charles Mangano, his brother priests, Fr. Joe Arevalo, Fr. Ethel Anarado, Fr. Francis Samuel and our Pastoral Team welcome you to St. Joseph. If you are visiting us for the first time, you are our honored guests and we pray that you will consider making St. Joseph your church home. We are here to assist you in your spiritual growth and maturity as together we give glory to God through our worship, prayer and service in the name of Jesus Christ. We are committed to the fullness of Roman Catholic teaching and to the promise of salvation that the Church offers to all believers. May God accomplish a great work in you among us.

A FRIEND IS FOREVER

Whenever we are discouraged about the human race as a whole, when saving the world just does not seem worth the effort, where do we turn to have our faith renewed? You know the answer to that question as well as I – we turn to our friends, that small segment of humanity in whom we believe and who believe in us. It would be utterly impossible for us to believe in the human race as a whole, if we had no friends.

Would it be unreasonable to assume that the same was true with Jesus? After all, His world was at least as rotten as ours. Look at what it did to Him. How could He be willing to die for a world that treated Him the way it did? At least part of the answer is this: He had found in that world a few people who believed in Him and in whom He believed with His whole heart. They were far from perfect (as we are far from perfect) but He had seen in them some sure signs of redemption, so much so that He called them “the light of the world and the salt of the earth.” So He carried the cross to Calvary for the whole world, but He was thinking of that world in terms of His friends. They were worth dying for.

Ordinarily, we think of friendliness as something that is gentle and kind, and, that it is. But today we are thinking of it as power. Power to sustain us in the face of trouble, and sacrifice, and in conquering the human heart.

Friendship is the weapon with which Christ has taken possession of our lives, and it is the weapon with which He sends us forth to conquer the world.

DO WELL GOOD AND FAITHFUL FRIENDS

Deacon Mike

Reflections

“THAT’S WHEN MY NEW LIFE STARTED”

Anniversaries have always been great occasions for celebrations, reconnections and embracing memories of days gone by. This year happens to be a big one for me as 2018 marks 45 years of marriage to my beloved Barbara and 50 years since I graduated from Providence College. What a winning daily double!!!

My good friend John Devine also has a 50th anniversary this year, although it may not be an occasion that most would celebrate. On April 26, 1968, while I was probably having an adult beverage or two at Bradley’s Café not far from the campus, John, then a 19-year old Marine, was on patrol in Vietnam. Under heavy attack, he received a direct hit, was airlifted to a military hospital, and eventually had his left leg amputated well above his knee. He spent the next eleven months in various hospitals healing both his body and his soul. He recently revealed that when he understood the reality of his situation, “...that’s when my new life started.”

And what has this new life been like? Among other distinctions: St. John’s University graduate, devoted husband, loving father of two girls, doting grandfather to five, golfer (hole in one), bowler (perfect game), skier (Colorado is his favorite spot), marathoner (Boston, NYC, Washington), harmonica player (self-taught), Disabled American of the Year (nationally), and shining example to many (most important).

At the time, John could have easily listened to all of the people who told him how terrible an event that befell him. Instead, he realized he had a Grace-filled moment to live a truly extraordinary life. And that he has.

What about us?

Reclaim Sexual Health
Many people have found themselves suffering with an addiction to pornography. God says, “My saving power will rise on you like the sun and bring healing like the sun’s rays.” Malachi 4:2. You can overcome pornography and other unhealthy sexual behaviors with a professional, science-based Catholic program called: RECLAIM Sexual Health. (Visit their site www. ReclaimsexualHealth.com). Get help or Help Others. Private and Anonymous Online Help 24/7. It is the latest Brain Science cutting-edge technology. Personalized support and Faith Focused.

The Brain Science of Change & Theology of the Body is God’s way out. In 1 Corinthians 10:13 it says, “No trial has come to you but what is human, God is faithful and will not let you be tried beyond your strength; but with the trial He will also provide a way out, so that you may be able to bear it.” Pornography is an addiction. It enslaves the soul and deep shame is connected to it but healing and recovery is possible.

If you or someone you know has a porn addiction, please log onto the their website at: www.IntegrityRestored.com, designed for those who struggle with pornography use and those who may know of someone who is struggling. Here you will learn about the pornography epidemic in America and how porn affects men, women, children and teens. You will learn about the addictiveness of pornography and the recovery process. Wives will learn how to help their husbands as well as how to find healing for their own emotional pain (feelings of hurt, betrayal, etc.). The website takes a unique approach by incorporating Catholic spirituality into the recovery process. Porn reduces the human person to an object for one’s selfish pleasure which is in direct opposition to the beauty of the whole human person that God created in His image and likeness, never to be lusted after but to be loved as a whole person: body, mind and soul.

Courage Support Group

Courage. This spiritual support group is for men and women who experience homosexual attractions and desire to lead a chaste life in accordance with authentic Catholic Church teaching. The five goals of Courage are:

1. Live chaste lives in accordance with the Roman Catholic Church’s teaching on homosexuality.(Chastity)
2. Dedicate one’s life to Christ through service to others, spiritual reading, prayer, meditation, individual spiritual direction, frequent attendance at Mass, and the frequent reception of the Sacraments of Reconciliation and Holy Eucharist. (Prayer and Dedication)
3. Foster a spirit of fellowship in which all may share thoughts and experiences, and so ensure that no one will have to face the problems of homosexuality alone. (Fellowship)
4. Be mindful of the truth that chaste friendships are not only possible but necessary in a chaste Christian life and in doing so, provide encouragement to one another in forming and sustaining them. (Support)
5. Live lives that may serve as good examples to others. (Good Example)

We presently have a men’s group in Nassau County. If you call 516-623-1400, Ext. 190 and leave your name and phone number, someone will get back to you or email licourage3@gmail.com. **CESAR CHAVEZ Y LOS TRABAJADORES DE LA GRANJA**

Es irónico que aquellos que cultivan el suelo, cultivan y cosechan los frutos vegetales y otros alimentos que llenan tus mesas con abundancia y no tienen nada para ellos.

Cuando el hombre que alimenta el mundo, trabajando duro en los campos esta privado de los derechos básicos de alimentación, refugio y cuidado para su propia familia, entonces la comunidad del hombre está enferma.

Los trabajadores agrícolas son los canarios de la sociedad. Los trabajadores agrícolas y sus hijos, los más cercanos a la producción de alimentos, demuestran los efectos de envenenamiento por pesticidas antes que nadie.

La historia juzgará a las sociedades y los gobiernos, y sus instituciones, no por lo grandes que son o qué tan bien sirven a los ricos y poderosos, pero si por la efectividad con la que responden a las necesidades de los pobres e indefensos.

César Chávez, un líder laboral mexicano-estadounidense y Activista de los derechos civiles, junto con Dolores Huerta, cofundó la Asociación Nacional de Trabajadores Agrícolas en 1962.
