**Welcome to all New Parishioners. We invite you to register at the Parish Office.**
Dear Brothers and Sisters in Christ,

On behalf of all the priests of the parish along with the pastoral team, we wish all the men in the parish a very happy and holy Father’s Day. As you grow in holiness may you reflect more deeply the love and heart of Christ to your families and to the world.

Congratulations to Msgr. Richard Henning who has been our Episcopal Vicar since last fall. He has even said some Masses here in January. He is now Bishop-Elect Richard Henning. Pope Francis has appointed him as one of the Auxiliary Bishops of our Diocese. This is a great blessing for the Diocese because not only can we use the assistance of another Bishop but Bishop-Elect Henning is a good and holy man. Please keep him in your prayers as he is soon to be ordained a Bishop on July 24th at St. Agnes Cathedral.

As you may already know, we do not continue the 9:30 am family Mass over the summer. The last 9:30 am Mass will be today, June 17th but it will resume in the Fall. We now begin the 9:00 am Mass at Gilgo Beach over the summer months. We begin that Mass on Sunday, July 1st. All are welcome.

Over the summer months, I do not write a weekly column but I will resume in September. The bulletin will still continue to have pertinent information for upcoming events.

Capital Campaign Gift Recognition

As you have read in the bulletin over the past several weeks, St. Joseph Church Centennial Campaign has come to an end. As a result, a plan has begun for the recognition of those donors who have completed their pledge of $3,000.00 or more. Guidelines for the five levels of Gift Recognition were given in the Centennial Campaign Booklet. If you were at one of those levels, you will receive a letter in the mail. Kindly complete the form enclosed with the letter to reflect the way in which you would like the donation to be acknowledged in the brass Memorial Book which will be mounted in the Church. Please return the form to the Parish Center by Friday, June 22, 2018.

I am grateful to have Mary Alice Markham assisting us in bringing this aspect of the campaign to completion. If you have any questions please contact Mary Alice at 631-669-4179 or email markham96@optonline.net.

Helping Mary Alice are Linda Burke and Mary Oehrlein who were members of the Centennial Committee. Thank you so much ladies. On behalf of our parishioners, I am grateful for your generosity and your commitment to St. Joseph’s.

Catholic Ministries Appeal

This year, 2018, our goal has been set for $138,100.00 by the diocese. Already parishioners have pledged $115,105.00. If you have not had the opportunity to give to the appeal please consider doing so. So far, we have met 83.3% of our goal in pledges. Thank you for your support of the Catholic Ministries Appeal and the great work that it does for thousands of people in need across Long Island. To make a pledge, log onto our website at stjosephsbabylon.org and more than halfway down on the right side of the homepage click on the black bolded words that say, Catholic Ministries Appeal.

Have a great week encountering the Father’s love and mercy. Remember, with Him in you, you can do the unthinkable, unimaginable, love the unlovable and even forgive what you think is unforgiveable.

Peace and blessings,
Fr. Charles, Pastor

REFLECTION FOR TODAY
Like the sower in today’s Gospel, I scatter as seed my gifts of time, talent and resources; and I trust that, by God’s grace and in God’s time, these small gifts of myself may grow, flourish and help to bring about the Kingdom of God.

WITH GOD’S HELP.............

In today’s Gospel (Mk 4:26-34), Jesus talks about seed scattered on the ground. That sounds simple enough, but it involved a lot of hard work and was absolutely essential. For a farmer to expect a harvest, without an investment of labor, is sheer folly. For you and me to expect the reign of God, without our participation and cooperation, is equally as foolish. We will not wake up some happy day to discover a perfect world, in which to house the perfected human family. Between this present reality and that future hope, there is much work to be done. Someone must prepare the ground and plant the seed, before the harvest can ever come.

That is what the farmer did. He scattered seed on the ground, and then waited. Day after day, he went to bed and got up. All the while, the seeds were sprouting and growing, without the farmer’s help. Forces were at work over which he had no control. He did not even understand what was taking place. A bountiful harvest demands two seasons of human effort - a time of planting, and a time of reaping. Other than these, everything depends on nature, the vitality of the seed and the fertility of the soil.

This story rebukes both our human pride and our human pessimism. Jesus said “The soil produces of itself, first the blade, then the ear, finally the ripe wheat in the ear.” There is only so much we can do, but, we must do that. But in comparison to the whole process, ours is such a small part. The human race has been guilty of a double presumption. The first is to think we can produce the reign of God by our own efforts. And the other is to think that because our efforts have not produced immediate results, the reign of God will never come.

The important ingredient that we keep leaving out of the mixture is God’s part. Our Lord was neither a superficial optimist nor a gloomy pessimist. He was the ultimate realist. His confidence in the future was based on this practical philosophy: we must do our part, and leave the rest to God.

..........WE CAN CHANGE THE WORLD

THE CHANGING TIMES

Might you remember when videos first came out and stores that rented them were all over the place? When we bought our first cassette player, I rented “The Attack of the Killer Tomatoes” for Dan and Tim (probably more for me). These “mom and pop” video stores were all the rage until something called “Blockbuster” came along. With a far larger selection and multiple copies of current releases, it was not long before those smaller video stores could not compete and soon went the way of the Good Humor trucks.

The local “Blockbuster” is now a laundromat, the victim of technology that brings the current releases directly into your home…and you do not have to worry about late fees! In all probability, “blockbuster” will one day be an answer on “Jeopardy.”

Some of our most once stabilized institutions are also changing. Have you noticed there are now urgent care facilities popping up all around us. Health care is changing almost daily in terms of choice, location, and time of recuperation. The doctors who cared for us in earlier days are often no longer independent; and trying to get an immediate appointment makes the urgent care facilities even more attractive.

One thing that has not changed…at least in principle…is the Catholic Church. While populations may be dropping, the teachings of the Church remain tried and true. We are called to praise our loving God, to ask for His forgiveness when we stray, to thank Him for the many Grace-filled blessings that He has bestowed upon us, and to love others in meaningful ways.

Let us do all we can to ensure our Church continues to flourish.
Every day, people in our community are helped because of support from funds raised through the Catholic Ministries Appeal.

Today, consider a Dad like James. James saw information about the Catholic Ministries Appeal at his local parish, and he knew he had to turn to the Church for help since he had nowhere else to go. James had been gainfully employed for more than 10 years when he began to fall ill. Soon his medical issues made it impossible for him to keep working and he was forced to go out on disability.

After paying the co-pays on his medications, his family's rent and utilities bills, James had very little left to purchase food and other necessities for his family.

It was hard for him to ask for help, but with nowhere else to turn, he did. Catholic Charities found him a specialist who assessed the family's needs and directed them to appropriate resources in their community. He went to his Parish Outreach, where his family received food that allowed them to make it through the month. James and his family received the help they so desperately needed.

Today, James is back to work and the family is doing well. "I am so thankful that I know there is somewhere I can turn, where there are people that care, people I can talk to, if I am ever in such a situation again," shared James.

Please consider donating to the Appeal and making a difference in the lives of others.

**What is Natural Family Planning (NFP)?** Marriage insurance and "much much" more. The Creighton Model FertilityCare™ System allows women to monitor and understand the day-to-day function of their reproductive systems. It also provides detailed information to a woman’s physician, allowing specially trained physicians to diagnose and treat underlying reproductive and gynecologic disorders using NaPro TECHNOLOGY™. Fertility-focused intercourse allows 98.5% of couples of normal fertility to achieve a pregnancy within six months. When used to avoid pregnancy, the method is 99.5% effective. Individual NFP classes are available at the Long Island Gianna Center at Good Samaritan Hospital Medical Center- Dr. Paul Carpentier, MD-Director, 661 Deer Park Ave., Babylon, NY 11702 (631) 376-3232, [www.chsli.org/gianna-center-long-island](http://www.chsli.org/gianna-center-long-island).

**Caring For Loved Ones At Life's End:**

An old Irish proverb says, "It is in the shelter of each other that the people live." Indeed, we are created to depend upon one another and walk together in suffering. But when family members or friends approach life's end, we may not know how to "shelter" them. **Courage.** This spiritual support group is for men and women who experience homosexual attractions and desire to lead a chaste life in accordance with authentic Catholic Church teaching. The five goals of Courage are:

1. Live chaste lives in accordance with the Roman Catholic Church’s teaching on homosexuality. (Chastity)
2. Dedicate one’s life to Christ through service to others, spiritual reading, prayer, meditation, individual spiritual direction, frequent attendance at Mass, and the frequent reception of the Sacraments of Reconciliation and Holy Eucharist. (Prayer and Dedication)
3. Foster a spirit of fellowship in which all may share thoughts and experiences, and so ensure that no one will have to face the problems of homosexuality alone. (Fellowship)
4. Be mindful of the truth that chaste friendships are not only possible but necessary in a chaste Christian life and in doing so, provide encouragement to one another in forming and sustaining them. (Support)
5. Live lives that may serve as good examples to others. (Good Example)

Oficina Principal - Sra. Claudia Rodas
Al acercarse la celebración por el día del Padre, les pido que recuerden a aquellos padres que –por sufrir alguna enfermedad o por haber perdido sus empleos– están en crisis, enfrentando muchos problemas para alimentar y mantener a sus familias.

Una crisis llega de improviso y puede complicar muchos aspectos de la vida. La buena noticia es que gracias a usted, la Campaña de Apoyo a los Ministerios Católicos puede darle el apoyo necesario a los programas de Caridades Católicas y a los de Alcance Social de nuestra parroquia, y son estos programas los que dan asistencia, en momentos en que las personas están más necesitadas.

Gracias a los fondos recaudados por la Campaña de Apoyo a los Ministerios Católicos, es posible darles ayuda diaria a muchos padres de familia de nuestra comunidad. Ese es el caso de Santiago, quien en su parroquia vio la información sobre la Campaña de Apoyo a Ministerios Católicos, ahí se dio cuenta que, para poder sostener a su familia, tenía que pedir ayuda a la iglesia pues ya no tenía a donde más recurrir. Durante más de 10 años Santiago había mantenido su trabajo y repentinamente le detectaron una enfermedad. Debido a su precaria salud perdió su empleo y pronto tuvo que solicitar beneficios por incapacidad.

Su situación era crítica: el ingreso familiar se había reducido. Después de hacer los pagos por medicinas, casa y utilidades, a Santiago casi no le quedaba dinero para comprar comida y solventar otros gastos de su familia.

A Santiago le fue difícil pedir ayuda, pero ya no tenía otra opción y lo hizo. La oficina de Caridades Católicas lo puso en contacto con un especialista quien analizó los gastos y necesidades de su familia, y los guió para buscar y encontrar ayuda dentro de su propia comunidad. El se acercó a la oficina de Alcance Social de su Parroquia, y allí recibió alimentos suficientes para llegar a fin de mes. Es así que Santiago y su familia recibieron la ayuda que tanto necesitaban.

Hoy, Santiago está nuevamente trabajando y su familia está bien. Él nos dice “Estoy muy agradecido, pues si alguna vez yo tuviera que enfrentar una crisis similar, ahora sí sé que hay un lugar donde yo puedo ir, donde hay personas que se preocupan por darme la mano, gente que me escucha y con la que yo puedo hablar.”

Por favor considere hacer un donativo y haga la diferencia en la vida de las personas.
