Spiritual Adoption Prayer Program

Everyone loves the beauty and innocence of a baby. As an expression of that love, St. Joseph’s announces an adoption program for young and old alike. The members of our parish family will soon have the opportunity to “spiritually adopt” a child who is newly conceived this month. Not all babies make it to birth. Many parents tragically experience the loss of a child to miscarriage or premature birth. And more than 3,000 babies lose their lives to abortion each day. These are the babies you are being asked to “adopt” simply by praying for him or her each day. You may “adopt” a child individually or as a family by signing up during the weekend of October 6th, Respect Life Sunday. Prayer pledges will be collected during Mass. A selection of prayer cards with prayers will be available. It is suggested that you name the child for whom you will be praying, which will remind you that, although you may never meet the child in this life, you truly are praying for a specific child who needs your prayers. Watch the bulletin for monthly reports describing “your baby’s” development. In June we will celebrate the “births” of our spiritually adopted babies by collecting baby items which will be given to mothers in need of assistance. There are millions of unborn babies desperately in need of your prayers. Won’t you please “spiritually adopt” one and share the love for life that God have given you?

Come oneÉ…come all for our Annual Blessing of the Animals Saturday, October 6th 3PM in Kelly Plaza If rainingÉ blessing will be in the gym.

Little Rock Bible Study  

"James, Peter, and Jude:  
The Catholic Letters "  
The Little Rock Scripture Study has been a part of the St. Joseph’s Adult Enrichment program for several years. The selected study for this Fall covers four New Testament letters traditionally known as the Catholic Letters because each is written to strengthen Christian communities scattered across a wide region of the Roman Empire rather than a specific Christian community. Participants will discover that they contain profound differences as well as intriguing similarities. James is a work of wisdom literature, expounding on the themes of faith and good works, true wisdom, and the need for the rich to care for the poor. First Peter resembles a sermon on baptism. It is filled with moral exhortations about living out one’s baptismal promises in a properly upright, faith-filled manner, especially in the face of suffering and persecution. Second Peter contains strong warnings and exhortations to avoid false teachings to maintain proper ethical conduct while awaiting the second coming of Jesus Christ. It shares much of its content with Jude, because of which, Jude is studied in conjunction with Second Peter. This study has 7 sessions, incorporating an introductory session and 6 lessons, beginning on Thursday October 4th in the O’Connell Room at 7:30 pm (9:00 pm. Session dates are Oct. 4, 11, 18, 25, Nov. 1, 8, & 15. The registration fee of $20 covers the cost of the study guide and CD wrap-up lecture.  

Please register at the Parish Center.

The Foundation of Discipleship

Matthew 7:24

The key words here are “hears and does.” We must hear what the Lord is saying and act accordingly, thereby laying our foundation.

The discipleship ministry, even our Christian walk, must be based on a solid foundation, otherwise it will collapse. Foundation comes from a Greek word meaning: laid down as a foundation, to make stable, establish, like a building, wall or city. The solid foundation is Jesus as the scripture tells us. Any other way or any other foundation is worldly, of self, baseless and will lead to confusion, disarray, wrong thinking, negative attitudes and speech, lack of openness and care for others; which of course leads to negative discipleship. However, a solid Jesus foundation will lead to a positive word-based and spirit-led discipleship, where people are taught, mentored, relationships built and the raising up of a strong well balanced positive people into the Kingdom of God.

It is not all going to be peaches and cream, there will be struggles and frustrations. But, perseverance, patience and an open heart will produce lasting results.

So when we are walking on the solid foundation of Jesus then we are walking on the foundation of the City of God.

Deacon John

THE PAPER CUT

I thought I would be clever and cite Newton’s Theory of Relativity as an intro to this thought; however, the more I read about it on the Internet (I hardly had the Theory memorized), the more I got confused. My intent was to lend some credence to my notion that we are all relatively well off when compared to the plights of others. Let me provide a good example.

As some may know, I have been a below the knee amputee for over 40 years. Early on I was able to see this as a blessing, and this has been proven again and again by the number of people in my life that I otherwise would not have met. Physically I have had situations over the years which have been challenging in terms of pain, mobility, and infection. On the other hand, there were times when this status has surprised people to the point where I thought I was pretty cool. For awhile I was riding the wave of coolness until my good friend John Devine, who lost his leg well above his knee in Vietnam, compared my situation to his. In the amputation world, John pronounced, my condition is merely a “paper cut.” John’s assessment has kept me grounded in terms of my thoughts on coolness. Fortunately, I have been able to apply this principle to other aspects of my life and am able to see how much God has blessed me with Grace in abundance and the realization that He is with me when life provides a challenge.

What’s your paper cut?
