A Reflection from our Seminarian, Manuel Blanco

Reflection: St. Therese of Lisieux

St. Therese of Lisieux (1873-1897) is certainly one of my favorite saints because she truly lived the experience of the Gospel. St. Therese was a Carmelite nun, a mystic, and is a Doctor of the Church. She lived a life of simplicity, prayer, and obedience to God. St. Therese gives a unique, simple, and personable contribution to the contemplative life because it could be reached to the everyday person. Additionally, her life is a great example of the teaching of the “Universal Call to Holiness” of the Second Vatican Council because she did ordinary actions that you and I can both do. Moreover, St. Therese gave witness to Jesus Christ through her key ideas of her “little way,” and of sacrificial love.

St. Therese “little way” was essentially her prayer; it was her way of entering into a loving relationship with God. St. Therese was determined to get to heaven, even if it was from the inside of the convent walls. Thus, her “little way” was simple actions that she performed in the convent, offered to God in charity. She believed that God takes the smallest deeds if done out of love for the others, and magnifies it because God is being glorified when this happens. This is a great reminder for us today! In The Story of a Soul, her autobiography, she writes several encounters where she performed little deeds in the convent and offered it to God with sacrificial love. I will share with you one of my favorites: “Another time I was working in the laundry, and the Sister opposite, while washing handkerchiefs, repeatedly splashed me with dirty water. My first impulse was to draw back and wipe my face, to show the offender I should be glad if she would behave more quietly; but the next minute I thought how foolish it was to refuse the treasures God offered me so generously, and I refrained from betraying my annoyance. On the contrary, I made such efforts to welcome the shower of dirty water, that at the end of half an hour I had taken quite a fancy to this novel kind of aspersion, and I resolved to come as often as I could to the happy spot where such treasures were freely bestowed.” (The Story of a Soul, Pg. 147)

Una reflexion de nuestro seminarista, Manuel Blanco

Santa Teresa de Lisieux (1873-1897) o Santa Teresita del Nino Jesus, es ciertamente una de mis santas favoritas porque realmente vivió la experiencia del Evangelio. Santa Teresa era una monja carmelita, mística y Doctora de la Iglesia. Ella vivió una vida de simplicidad, oración y obediencia a Dios. Santa Teresa da una contribución única, simple y personal a la vida contemplativa, ya que podría ser alcanzada por la persona común. Además, su vida es un gran ejemplo de la enseñanza del "Llamado universal a la santidad" del Concilio Vaticano II porque hizo acciones comunes que usted y yo podemos hacer. Además, Santa Teresa dio testimonio de Jesucristo a través de sus ideas clave de su “caminito” y del amor sacrificial.

El “Caminito” de Santa Teresa era esencialmente su oración; era su manera de entrar en una relación con Dios. Santa Teresa estaba decidida a llegar al cielo, incluso si era desde el interior de los muros del convento. Por lo tanto, su "caminito" fueron las acciones simples que realizó en el convento, ofrecidas a Dios en la caridad. Ella creía que Dios toma las acciones más pequeñas si se hace por amor a los demás, y lo magnifica porque Dios está siendo glorificado cuando esto sucede. ¡Este es un gran recordatorio para nosotros hoy! En Historia de un Alma, su autobiografía, ella escribe varios encuentros donde realizó pequeños actos en el convento y se lo ofreció a Dios con amor sacrificial. Compartiré con ustedes uno de mis favoritos: “En otra ocasión, en la lavandería, tenía enfrente de mí a una hermana que, cada vez que golpeaba los pañuelos en la tabla de lavar, me salpicaba la cara de agua sucia. Mi primer impulso fue echarme hacia atrás y secarme la cara, con el fin de hacer ver a la hermana que me estaba asperjando que me haría un gran favor si ponía más cuidado. Pero enseguida pensé que sería bien tonta si rechazaba unos tesoros que me ofrecían con tanta generosidad, y me guardé bien de manifestar mi lucha interior. Me esforcé todo lo que pude por desear recibir mucha agua sucia, de manera que acabé por sacarle verdadero gusto a aquel nuevo tipo de aspersión e hice el propósito de volver otra vez a aquel venturoso sitio en el que tantos tesoros se recibían.” (Historia de un Alma, pág. 191)

HAPPY BIRTHDAY - SPIRITUALLY ADOPTED BABY!
Your spiritually adopted baby was born this month - nine months after her mother conceived her. The only change at birth is a change in the external life support system of the baby. She is no different now than she before birth except that she breathes and eats differently. She is truly a miracle. She began as a 46-chromosome cell and has grown over the past nine months into this unique human baby we now can see. Never before in history, nor ever again, will anyone exist who is exactly like your spiritually adopted baby. Your prayers saved her life. Thank you on behalf of all of the little babies and their mothers for your loving prayers that helped to bring them to birth “so that they might have life and have it to the full!”

fr. Jason’s Question Corner

Have a question about our faith?
There’s a lot to know, and a richness to our traditions and teachings. Sometimes we find ourselves wondering about these things. I would like to start a small section in the bulletin where each week I answer one or two questions that parishioners have about the Catholic faith.

So feel free to submit your questions, and I’ll get to work researching the answers!
Let’s learn together!

Lazarus Ministry

On Saturday, July 13, 2019 at the 9:00 AM Mass we will have our monthly Liturgy for the commemoration of the dead. All those who have lost a loved one, at any time in the past, are invited to join us. We especially welcome the family and friends of those who have died in the previous month or whose anniversaries occur during this time.

A table will be placed in the Baptistery for the family or friends to place pictures of those who have died. There will be a place for family or friends to write the names of those to be remembered at the General Intercessions. There will also be an opportunity to remember each loved one by name in the Book of the Dead.

Members of the Lazarus Ministry will be present to welcome you and to offer guidance; please let them know when you arrive.

**Children’s Activity page**

Jesus sent his disciples out two by two. Who would you have taken as your partner to go on such a journey? Draw yourself and that person spreading the good news to the people below.

If Jesus sent you out to proclaim his good news, what would you tell people?
The renowned French impressionist painter Paul Cezanne once acquired a bright green parrot. He taught his pet to repeat one phrase over and over again: “Cezanne is a great painter…Cezanne is a great painter!”

As the classic cartoon character Pogo once said, “We have met the enemy and he is us.” Everyone has a pet parrot. We have inner-parrots that repeat again and again the voices we heard as children. Let Cezanne be an example of how you should train your parrot to only speak messages that affirm your value.

Like Cezanne, select a single sentence today and repeat it over and over to your pet parrot. Then, like the famous pirate in Treasure Island, Long John Silver, let your pet parrot ride on your shoulder wherever you go—whether to work, play or prayer.

Deacon John

One of the good things about social media is the capacity to communicate with people on the spur of the moment. Recently, for instance, thanks to a prompt on my computer, I was able to wish three people I rarely see birthday wishes. I also found sending a spontaneous email with an endearing message often provides abundant results.

Another avenue of communicating my thoughts is to make entries in the book of intentions which can be found in many churches and chapels I visit. I rarely miss the opportunity to list names of those upon whom I want our Loving God to shine His Light. Having a good thought for someone will work; I know this. But there is something about making such a Grace-filled reflection more meaningful. Without going too deeply, I think taking the time to text, type, or write shows greater effort in God’s Eyes.

Fortunately for those of us in the Parish of St. Joseph, we have a book of intentions displayed as we walk through the front door of the Church. Based on the variety of penmanships, the book is a great source of comfort to many who script their personal intentions.

It was quite disturbing to me, therefore, when I noticed an intention on the top of one page had been crossed out with a terse comment seemingly justifying the action. I wondered why a person would censure another for sharing a personal thought with our Loving Savior. Before I fell into the same frame of mind as the critic, I recalled the words of Jesus, “Therefore, if you bring your gift to the altar, and there recall that your brother has anything against you, leave your gift there at the altar, go first and be reconciled with your brother, and then come and offer your gift.” Matthew 5:24

At a time when our Church is being bombarded on all sides, we clearly need civility within our very walls

St. Joseph’s Parish Outreach is getting ready for our summer programs.
Our Back to School Program, is one of them and will be held this year on August 20th.

Children need constant encouragement and support to succeed, and as a community we can help make that happen. Sending a child to school with new and needed supplies instills a sense of pride along with message that school is important. New school supplies can be expensive and unaffordable to a family with limited income. St Joseph’s “Back to School Program” helps with the supplies that families are unable to provide.

If you are able to help a child, you can either donate supplies or buy a gift card from Target, CVS, or Walmart. You can also sponsor a child in need. To sponsor a child call Sigrid to (631) 669-0068 ext 202. School supplies can be dropped off at the Outreach Center, Monday, Wednesday and Thursday from 9:30am to 3:00pm. You may also drop off your supplies at the Parish Center office.

Listed below are the school supplies that children need:

- New Backpacks
- Binder and subject dividers for binders
- Loose left paper
- #2 pencils -Pens red/blue/black
- Composition books
- Double pocket file folders
- Ruler – Scissors – Erasers
- Glue Sticks & Bottles of Glue
- Index cards 3x5
- Washable markers/ Crayons
- Graphing Calculators

Another program that we are running is “Pool & Fun Summer”. Our goal is to get children out of the streets, occupying their minds with fun and healthy activities. Kids need to be kids and have fun, for this reason we are sending 13 families to different recreational programs, for which we are in need of your financial support.

We would not be able to meet the needs of our clients without your help. We are always grateful for the assistance you provide to our community. We thank you for your support.

Outreach is in need of: Bottled Water for the homeless

Our Food Pantry is most in need of these items:

- Apple Juice, Coffee, Cereal, Mayonnaise, Jelly, Ketchup, Mustard, Pasta Sauce, Paper Towels,
  Toilet Paper, Large Toothpaste, Large Shampoo, Large Soap/ Body Wash
- Gift Cards from supermarkets are in demand and would be greatly appreciated.
  Thank you for your past and future donations.

Each year Seniors who have been involved with Youth Ministry leave their handprint on the wall of the Madonna Room before they go off to college. This year, Luigi left his mark as he prepares for Lehigh University in the Fall. Luigi has volunteered his time and been a core member of our Youth Group all through High School. Please keep him—and all of our students—in your prayers.
