Alone we can do so little, together we can do so much! But we can not do it without you!

Without doubt, COVID-19 has changed and affected the entire world. These are difficult and uncertain times, but we have to be prepared and have faith that we will be well soon. It is for this reason that Outreach is getting ready for our ‘Back to School Distribution 2020.’

Children need constant encouragement and support to succeed. As a community we can help make that happen. Sending a child to school with new and needed supplies instills a sense of pride, along with the message that school is important. New school supplies can be expensive and unaffordable to a family with a limited income. St. Joseph’s “Back to School Program,” helps with supplies that families are unable to provide.

If you are able to help a child, you can either donate supplies or buy a gift card to Target, CVS, or Walmart. School supplies can be dropped off at the Outreach Center on Monday, Wednesday, and Thursday from 10am - 1:00pm.

Listed below are the school supplies that children need:

- New Backpacks
- Binder & Subject dividers for binders
- Loose leaf paper
- #2 Pencil/ Pens (red, blue, black)
- Composition books
- Double pocket file folders
- Rulers/Scissors/ Erasers
- Glue sticks & Glue bottles
- Index cards 3 x 5
- Washable markers & crayons
- Graphing calculator
We are living through very hard times, but there are services and support available. We will get through this together.

Come to the Table of the Lord

When God created people, he placed them in a garden not in a desert. This leaves us free to wonder if the desert experiences of life are not of our own choosing and making. When Jesus explained the purpose of his incarnation, he said, “I have come that they might have life, and they might have it to the full.” It is the same thing Isaiah is talking about, “You shall eat well and delight in the rich fare.”

But we need to be careful at this point. Most of us know too much about the Gospel and the realities of life to think that God is inviting us to an experience of ease and comfort. Ask a man like Saint Peter about the ease and comfort of his Christian pilgrimage. He will tell you about jails and prisons and beatings and stoning and shipwrecks and poverty and sickness. But strangely enough, he will also tell you about joy and confidence and sense of purpose and achievement that he never dreamed possible.

We must never forget that easy living and abundant living are not synonymous terms. A life initially and daily committed to Christ may or may not result in an increased bank account. Neither will it give you immediate and magic solutions to your problems. It will equip you to come to grips with life in a way that is realistic, creative, and courageous. And who could ask for anything more? These are the things that make life worth living. And a life worth living is the grand possibility to which God invites us all.

There is one other thought. God’s invitation at least implies a sense of urgency. “Seek the Lord while he may be found. Call him while he is near.” This does not mean that God will some day grow tired of us and go off and hide. It simply recognizes that we are playing this game under the clock. There is a time limitation. And we do not have forever to do with life whatever it is we would do. How much time do we have? I do not know. Someone has said, “we have all the time there is.” And I suppose that is true. But it is also true that we have one less day each day.

Each of us has had the experience of receiving an invitation that had at the bottom the familiar letters R.S.V.P. The next move is ours. Respond, if you please. Answer, if you will.

Thank you Lord, for all you do.
Some have expressed concern about not being able to drop off their Offertory envelope. First—thank you for that concern! Your donations are appreciated, and very much needed. Envelopes can be mailed to the Parish Office at 39 N Carll Ave, Babylon, NY 11702.

You have the ability to adjust your settings for any amount or frequency. All details and even a video explaining FAITH DIRECT are on the website at: https://stjosephsbabylon.org/faith-direct

THE NEW NORMAL—VOLUME XIX

I attended a conference held some 40 years ago where the main speaker was the editor of the original “Chicken Soup for the Soul”. The book is a compilation of inspirational true stories about ordinary people, and it later became a series with the original title becoming a staple as in “Chicken Soup for the Woman’s Soul”, “Chicken Soup for the Recovering Soul”, and many other categorial souls.

When the speaker began, he removed his wallet from his rear pocket and took out a $20 bill, holding it in his hand as he continued his presentation. His point was to be successful, one had to be more aggressive. “You just cannot sit there; you have to ask questions. Ask, ask, ask,” he suggested. “If you have a daily calendar, write “ASK” on the top of every page. There are plenty of opportunities which you will not find unless you ask.” As he concluded his remarks, he asked if there were any questions. A woman in the back of the room raised her hand and asked, “Can I have that $20 bill?” “Of course,” the speaker said. “See what happens when you ask?” he posed to the audience.

I know asking for God’s help clearly has a great effect on our spiritual life. The Scriptures are filled with many verses which dwell on this, the most often quoted, perhaps, can be found in Matthew’s gospel, “Ask and it will be given to you; seek and you will find; knock and the door will be opened to you.” (7:7). God gives us an ongoing invitation to request favors and graces from Him. We should take him up on it in all matters of concern.

When Kara was applying to Providence College, I was not sure if this should be one of my prayerful intentions. I explained my predicament to Dominican Father John Peterson. “Should I ask God to have Kara accepted at PC,” I asked him. “Why not?” he replied, “I am.”
Our **Environment Committee** beautifies our Church altars, and the large outside planters with potted flowers and plants. We are asking for donations by check, made out to St. Joseph’s Church, (labeled **Environment Committee** in the memo section of your check.) Checks can be dropped in the Sunday Collection Baskets or placed in the mailbox outside the Parish Office.  

**Thank you for helping us beautify our Church and grounds.**

We operate when Outreach is open on Monday, Wednesday and Thursday from 10am to 12pm. We continue to pray for all our friends who are especially burdened at this time.

Nuevo recurso: carga pública y elegibilidad de inmigrantes para beneficios públicos

La Coalición de Inmigración de Nueva York y el Empire Justice Center se complacen en anunciar un nuevo recurso para proveedores de servicios que apoyan a los no ciudadanos en el acceso a los beneficios públicos.

Carga pública y elegibilidad de inmigrantes para beneficios públicos es un cuadro que detalla la elegibilidad de los no ciudadanos para una serie de beneficios federales y del estado de Nueva York, y cuáles podrían tener implicaciones de cargos públicos. Este recurso se basa y actualiza la información de las herramientas anteriores de Empire Justice con respecto al acceso de los ciudadanos a los beneficios, y superpone las implicaciones de la nueva regulación del Departamento de Seguridad Nacional que define la inadmisibilidad de la carga pública.

Únase a nosotros el jueves 7 de mayo de 1:00 a 2:00 pm para obtener una descripción general de la herramienta, una explicación de algunos de los conceptos fundamentales subyacentes y una breve discusión de los beneficios recientemente disponibles en respuesta a COVID-19 y a los inmigrantes capacidad de acceder a esos.
