Use Your Gifts

Jesus said, “He gave one five thousand pieces of silver, another two thousand, and a third one thousand.” All of them were different, but each of them had an endowment held in trust for their master. That is how it is with you and me. Each of us has a little piece of God’s gift of life and a little segment of time to see what we can do with it. That’s what Jesus is saying. We all have a gift entrusted to us by God.

Use it or lose it. This is what Jesus meant when He said, “Take the thousand away from him and give it to the man with ten thousand.” He was not espousing economic injustice. He was simply stating a basic law that applies in every area of living. It was this: Life cannot be hoarded. All of its capacities and possibilities are intended to be used and invested. If we refuse to do that, one day we will realize that they have slipped away and we have them no more.

Religious faith cannot be kept in a drawer. None of the really important things can. They are given to us for a purpose, and if we do not use them, we lose them.

Consider for example, your capacity to love. You were born with it. We all were. It’s a priceless gift, a little part of the very heart of God. But if we hoard it, we will not hide it. You have got to give it away. You must invest it in people. If you do that it will grow, and you will have more love than you can ever use. But if you do not do that, if you try to keep it for yourself, it will slip away, and one day you will find yourself wondering if you even know what love means.

Jesus said, “Those who have will get more until they grow rich, while those who have not will lose even the little they have.” He was not talking about riches. He was talking about life, your life and mine. Give it to God. Share it with others. The more that you give, the more you will have. And in the good sense of the word, you will be one of the rich who keeps getting richer. You will never lose what you use well.

*Life is Short. Use it Well. Peace and Love.*

FAMILY LIFE—FAITH LIFE — AND COVID-19

How are we coping as a Parish?  How are YOU coping as a Family?
  As we enter the seasons of Thanksgiving & Advent & Christmas
  Let’s help one another look at the blessings in our lives.

We all realize that life has changed dramatically since March 2020 and we are constantly adapting to a ‘new normal’

As a parish—we have put Mass on-line and instituted a Mass Reservation System so that when people do attend, we can do our best to keep everyone safe.

Fr. Jason has offered on line workshops on Christology, the Saints, and documents by Saint JPII.

Our Faith Formation Department is working on a syllabus for at home learning, while our Nursery School has opened its doors with many COVID Safety Protocols in place.

We have Parishioners calling other Parishioners to check in and see how they are doing or to register them for Mass.

How are our families coping? Our Parish Families are made up of Singles living on their own, newlywed couples starting out, young families, senior families, and everything in between.

In the next couple of weeks, we will be highlighting some of those families here in the bulletin; sharing stories so we can get to know one another and also so we can remember that we are not alone in our struggles—and although our circumstances may not be identical to our neighbors, our Catholic Faith is a Universal Faith and perhaps by getting to know one another a little better, we can become just a little closer to Christ.

Care to share your blessings?
  Email Barbara at bmcnulty@stjbabylon.org to share your story! Or call: 669-0068 ext 108
FAMILY LIFE—HOW WE ARE COPING WITH COVID-19

Today our Spotlight is on the Keating Family—Margaret, John, Carly, Connor, Christopher

The family has been involved over the years in Youth Ministry, Faith Formation, Family Life Ministry and most recently—The COVID VOLUNTEER Ministry.

Mom, Margaret, has shared with us the following:

John was let go, due to the corona epidemic, from his job as an Employment Training Specialist for marginalized/at risk individuals on 3/20/2020. Simultaneously, I was called to work/volunteer overtime, on the front lines at the Jones Beach testing sites, as well as keeping a caseload of families with children of severely emotionally/psychiatrically disabled school aged children.

Praying for my own family's safety, while having to give to others was a challenge.

But I couldn't fulfill this calling without the circumstance of my husband losing his job and mandating him to be a full time at home parent, tending to the new academic demands. Add the forced isolation and disruption of social/emotional growth our community experienced.

Although our world was thrust into circumstances beyond our control, our family grew to appreciate, value and honor the positive aspects of this pandemic. Our son, Connor, created the "Keating Olympics", which was a series of made up games and challenges he brought to the table each night. Our kids would wait for me to get home after working 12 hour shifts at the testing site to play the game, have dinner or just re-connect.

While we all felt the sting of missing out on graduations, Eucharistic Adoration and settling for remote birthday celebrations, God guided us and caressed us during this time- nothing was taken for granted.

We are so grateful for the divine realization that there is nothing more valuable or purposeful than being there for your family, to encourage, reassure and guide them to stay positive and persevere.

We have been thankful and praying for our parish.
We are presently taking Weekday Mass Intentions, Altar Rose, Candles, and Bread/Wine through December 2020.

To have your loved one remembered in a special way at Mass, please call the Parish Office at (631) 669-0068 ext 100. (Best time to call is between 2 - 6 PM Monday- Friday)

Leave your name, telephone number and the date/time of your Mass request and you will receive a call back to see if it is available. Donations may be mailed in or dropped off in the Mailbox outside the Parish Office. Once payment is received your Mass card will be mailed to you.

Please be sure to clearly label your donation as Mass Intention-Attention Theresa on the envelope.

The Weekday Mass schedule is available through December and is as follows:

Monday-Friday: 7:30am & 9:00am
Saturday: 9:00am

Thank you for your patience.
The Angel Brigade

Our world has changed dramatically since last year, so please don't feel obligated as it is quite an undertaking both financially as well as time wise. We are thankful to all of you who have made this program such a success in the past.

At St. Joseph’s we have several families that have not only lost their jobs but also family members. If you would like to bring some joy at Christmas for one of these families, please send us an email with any specific details as to the size of the family you would like to adopt, as well as ages of children (boys and girls) and we will do our best to find the perfect family for you. Please email us at margotdenza@yahoo.com or svillalobos@stjbabylon.org, with your name, phone number, and any special requests pertaining to the size of the family, etc. If you prefer, you can call Outreach at (631) 669-0068 X 202 or 203 and leave your name along with your phone number and email address.

Enjoy this beautiful autumn season. Have a very peaceful Thanksgiving and please note that the world is a better place because of people like you.

Peace and God Bless
Memorial Poinsettias

Each year during the Advent season, as we prepare for the celebration of the Birth of our Savior, our thoughts turn to memories we hold dear in our hearts. For so many of us who have lost a beloved family member or someone dear to us, it is also a time of remembrance of our departed loved ones. As a way of commemorating their memory at this joyous time, we invite you to memorialize one of the many Poinsettia plants that will grace our altars in the coming weeks.

Poinsettias will be placed in our Church and Nolan Hall.
Your contribution of $20 will make this effort possible.
(Please make check payable to St. Joseph Church.)

A list of all Poinsettia donations will be published in our Parish bulletin in the December 20, 2020 bulletin.

The closing date is Wednesday, December 9, 2020. Please drop off your order form and donation in the mailbox outside the Parish Office or mail order form and donation to St. Joseph Church, 39 No. Carll Ave., Babylon, NY 11702; Attention: Theresa. Know that you and all your loved ones will be remembered as our generous benefactors as we celebrate the Christmas season.

**Reflections**

**THE NEW NORMAL—VOLUME XXXIII**

With the dire predictions that social distancing, contact tracing, flattening the curve, and personal protective equipment will be with us long into the winter months, it may be a time to consider one of the most important, though at times most annoying, staples of the pandemic: our mask. Coming in all shapes, sizes, colors, and designs, the mask has been the most essential part of our wardrobe since mid-March and is adaptable to all four seasons. Few can debate its merits:

“In an editorial published today in the Journal of the American Medical Association (JAMA), CDC reviewed the latest science and affirms that cloth face coverings are a critical tool in the fight against COVID-19 that could reduce the spread of the disease, particularly when used universally within communities. There is increasing evidence that cloth face coverings help prevent people who have COVID-19 from spreading the virus to others.”

Thus, the practical reasons for being so facially adorned are well justified. I have discovered a number of other benefits from wearing a mask, however, and among them are: not having people realizing when I am a) yawning, b) smirking at a comment, c) grimacing in pain, d) laughing at someone’s folly or not laughing at a lame joke, e) deafening a mumble to some inane suggestion, or f) remaining unshaven for another day. Indeed, the mask can hide much to all.

Except God.

We may be able to escape the eyes of those directly in front of us when we wear our COVID-19 mask or …metaphorically speaking…the mask in non-pandemic times which we wear to put on a particular front to others, but we cannot fool God. Rather than our faces, God looks directly into our hearts and sees our intentions: bad and good.

As we continue to fight this pandemic war, let us follow the rules by wearing our mask to protect ourselves and others. Let us also ask God for the Grace we need to realize He can always see right through us.

Mask and all.

**Bulletin Reflection:**

Today’s Gospel reading sums up the whole point of stewardship. God has given us gifts and talents; it is up to us to do well with them to honor God.

Poinsettias conmemorativas

Cada año durante la temporada de Adviento, mientras nos preparamos para la celebración del Nacimiento de nuestro Salvador, nuestros pensamientos se vuelven hacia los recuerdos que apreciamos en nuestro corazón. Para muchos de nosotros que hemos perdido a un familiar querido o un ser querido, también es un momento de recuerdo de nuestros seres queridos fallecidos. Como una forma de conmemorar su memoria en este momento feliz, te invitamos a conmemorar una de las muchas plantas de Poinsettia que adornarán nuestros altares en las próximas semanas.

Poinsettias se colocarán en nuestra Iglesia y Nolan Hall. Su contribución de $ 20 hará posible este esfuerzo. (Haga el cheque pagadero a St. Joseph Church).

Se publicará una lista de todas las donaciones de Poinsettia en nuestro boletín parroquial en el boletín del 20 de Diciembre del 2020.

La fecha de cierre es el **miércoles 9 de diciembre del 2020**. Por favor, deje su formulario de pedido y donación en el buzón fuera de la oficina parroquial o formulario de pedido por correo y donación a la iglesia St. Joseph, 39 No. Carll Ave., Babylon, NY 11702 - Atención: Theresa.

¡Sepa que usted y todos sus seres queridos serán recordados como nuestros generosos benefactores mientras celebramos la temporada navideña!
