Dear Brothers and Sisters in Christ,

This week, in conjunction with the parish finance committee, I am presenting our financial Statement of Activities for 2020. We make such a presentation in the bulletin each year in order to be good stewards of the treasure that you generously give for the building up of our parish community. This letter, in a slightly adapted form, will be sent to all addresses on our parish mailing list in the next couple of weeks. I would like to present it here, too, so that as many parishioners as possible can access it. It should also help us to prepare for the meeting on the 18th, which I hope many of you will be able to attend. We will work to live-stream the meeting and have a chat function enabled so you can participate from home.

Our 2020 results were severely hampered by the Coronavirus. The restrictions imposed by authorities as well as our desire to keep all of our parishioners safe continues to affect our activities to this day. Fortunately, we were able to avail ourselves of a loan under the Paycheck Protection Program which will be forgiven offsetting the detrimental effects caused by the virus. The amount of $224,267 is listed as a separate line item on the 2020 financial statement included with this letter. A few other comments on the statement worth noting:

- Collections decreased by 9.6% from the prior year. They are currently trending to be an additional 10% lower for this financial year.

- Nursery School revenue decreased by 19.4% from the prior year.

- Faith Formation revenue decreased by 11.4% from the prior year.

- Operation Expenditures declined by 5.8% from the prior year and we continue to closely monitor all expenditures.

- Exclusive of the loan mentioned above we incurred an operating deficit of ($119,277) for 2020 compared to a surplus of $65,173 in 2019.

As mentioned above, collections continue to decline. In fact, the amount of collections in 2020 was 18.4% less than in 2009 (11 years ago) and that doesn’t account for the effects of inflation. This level of giving is not sufficient to cover the operating expenditures of the parish and the repairs that continually have to be made to our aging facilities. We know that many of you are suffering financial hardship due to the economic impact caused by the Coronavirus. We pray for you, and our outreach services are always ready to assist. If you have been fortunate enough not to have been as deeply effected at this time, and have just not been making your normal contribution, we ask you to make it a point to resume your donation. You can send a check by mail or deposit it in the mailbox outside the Parish Office. Cash contributions should not be mailed, but instead dropped off in the mailbox. We advise you also to consider enrolling in the Faith Direct Program. Once you set up your contribution in Faith Direct, your donation happens automatically and saves you the time and effort of writing and mailing checks: one less thing to think about. A copy of the application is attached for your convenience. Staff and volunteers are also available to assist you in enrolling, just give us a call. We would also ask that you take the time now to examine the amount you are giving and if you are able increasing the amount so we can meet the ongoing needs of the parish.
We sincerely hope to continue to offer all of the programs that have made our parish a place of spiritual nourishment for Babylon and the surrounding communities. We rely on your donations to make that hope a reality. We now share with you a little of what we have accomplished, even under the challenges of the Coronavirus, in 2020.

Our Nursery School is open for business and safely educating our children. The school has adopted all new protocols to keep our over 200 students safe in the classrooms. Even during quarantine teachers were working with students from afar to help their development and education.

Our outreach services continued to provide food for those in need throughout quarantine. Our staff and volunteers heroically and generously gave of their time to make sure that people had food to eat, even when many other programs had closed. Over 135 families were aided. Our Back to School, Thanksgiving, and Christmas distributions (including the Angel Brigade and Giving Tree) helped families to enjoy these special moments. We also covered many families from Copiague who lost their access to outreach services due to a fire in the parish there. When we knew our neighbors were sick with COVID, we were also able to help them with home deliveries, together with the help of the Society of St. Vincent de Paul.

Spiritually, we have provided all with access to over 55 hours of video content, all of which was produced here. And that doesn't include our daily live-streams of Mass, with Sunday Masses live-streamed in both English and in Spanish, which began only two days after we went into quarantine. All of these videos can be found on the video archive page of our parish website, or on our Vimeo page. At a time where many catering halls have been unable to accommodate families for special events, we have been able to continue to help couples get married, parents baptize their children, and young parishioners receive first holy communion and first penance. Our priests have been out to anoint the sick, bless houses, bury the dead. Here at the parish, all are able to find a safe and solemn place to worship God.

In other words, while the Coronavirus certainly brought changes, it has never stopped our parish. We pray that our financial situation will not either. If you have any questions regarding donations, or if you would like more information about how to donate, know that our office staff is here to assist you, as is a new team of volunteers dedicated to parish development. Please prayerfully consider how you may be able to aid our community, yes financially, but also by volunteering. Our goal is not simply to sustain our great community, but make it to grow. Thank you in advance for your prayerful reflection on these topics.

Sincerely,
fr. Jason U. Grisafi

Vatican modifies distribution of ashes for Ash Wednesday

After blessing the ashes and sprinkling them with holy water in silence, the priest addresses those present, reciting once the formula found in the Roman Missal: “Repent, and believe in the Gospel” or “Remember that you are dust, and to dust you shall return.”

At this point, the priest “cleanses his hands, puts on a face mask, and distributes ashes to those who come to him or, if appropriate, he goes to those who are standing in their places.”

He then sprinkles the ashes on each person’s head “without saying anything.”

Jesus Said, Be Made Clean

In today’s Gospel reading Jesus told the man made clean of leprosy to remain silent concerning his miraculous cure. Jesus wanted to protect his own privacy. There are times when you and I need the same thing. I think of Mary, the mother of our Lord. She too had a tremendous experience. The angel Gabriel came to her with the announcement that she would conceive and give birth to the Son of God. Nothing like that had ever happened before. Her mind must have been racing and her heart bursting with the news. Can you imagine Mary’s going out and making her story public?

Luke tells us what she did. First she went to visit her kinswoman, Elizabeth, whose life had also been touched by God. The two of them spent the next three months talking, thinking, wondering, and trying to understand. Then after the birth of Jesus, Luke tells us that Mary treasured all these things and pondered them in her heart.

Something like that could have happened and should have happened in the life of the man made clean. What he needed was not to talk but to think. Later on it might be okay to talk, but first he needed more than a sensational story to tell. One wonders if he ever came to grips with the real issues. Who was the man who healed him? Why did he do it? What did it all mean? How would he handle his new lease on life? These were the key questions. And unless he faced them squarely and honestly, his miracle, as wonderful as it was, would never have made much difference.

The same thing, of course, applies to you and me, whether we have experienced a miraculous healing or not. In one way or another, we have had dealings with God. Every day in a hundred ways, he touches our lives, just as surely as Christ touched that lonely leper. The problem is that most of us do not slow down and shut up long enough to realize it.

I think Jesus must have had that in mind when he told this man to remain silent. He was trying to save him from shallowness. Every life needs a secret place where we treasure some sacred moments known only to God.

Level 8 Confirmation – we have our dates! Confirmation will be celebrated on Tuesday, May 25th & Thursday, May 27th @ 10am and 2pm in Nolan Hall. An email went out to the families asking them to choose the day and time that works best for them. Due to COVID-19 restrictions we have to limit the number of families at each celebration. The dates are based on a first come, first serve basis. We will reserve 4 seats for each family, which includes the child celebrating Confirmation and their sponsor. Please keep these families in your prayers.

Level 8 Community Service Pledges were due by the end of January! Please send your pledge in as soon as possible if you haven’t done so already.

Level 8 Confirmation Retreat – will take place on Wednesday’s from 6:30-8:30pm in Nolan Hall. Unit Reviews – Unit reviews for levels 1-6 went out at the end of December. February reviews for levels 7 & 8 went out the first week in February. Students will need to answer the questions and return them to the Faith Formation Office either by emailing them to cmoule@stjbabylon.org or sending them via mail. You may also drop them off in the mailbox located outside the front door to the Parish Center.

Monthly Mass Reflections and/or Mass attendance – the Mass reflection form can be found on the website: stjosephsbabylon.org, Faith Formation, Monthly Mass Reflection Form. Parents should be talking with their children about the Mass and what they learned from it and parents should fill out the reflection and submit it. If you wish to attend Mass in person, you can hand in a Mass attendance envelope in the collection basket instead of doing a Mass reflection. Attendance envelopes can be found in the back of the church and hall. You will need to register to attend Mass in person. Register for the weekend Mass on the website anytime after 10am on Wednesday prior to the weekend.
Some have expressed concern about not being able to drop off their Offertory envelope. First—thank you for that concern! Your donations are appreciated, and very much needed. Envelopes can be mailed to the Parish Office at 39 N Carll Ave, Babylon, NY 11702.

Our Parish also has the ability to accept on-line donations through a program known as FAITH DIRECT. It is a secure on line program which allows donations to electronically go to the Parish. You have the ability to adjust your settings for any amount or frequency. All details and even a video explaining FAITH DIRECT are on the website at: https://stjosephsbabylon.org/faith-direct

If you have any questions, please give the office a call. Thank you for your generosity.
Thrift Shop News

Dear Friends,

Once again, we turn to your kindness so that we can finish fixing the Thrift Shop. As you know last year the Thrift Shop was flooded when one of the toilets was blocked. The damages were extensive. We had to change the floors and walls of three rooms on the first level and four of basement rooms. In addition we had to use a company to clean the asbestos and the mold. Due to the high costs of those repairs, the insurance had to be used to pay the deductible of $5000. Also, we lost a lot of the donations from different seasons that we stored in the basement because the bins were on the floor.

It is for this reason and trying to prevent the same situation from happening again, we have thought of putting the donations in storage bins on shelves that keep them at a certain height off the floor which will protect donations in case of other floods. Additionally, donations will be more accessible and safer for our volunteers to work with.

Here is where we turn to your generosity once again. For this project we would need at least twenty metal shelves which cost $140 each. This is a high cost for us to cover without your help. Therefore, if you would like to give us a hand with this project you may send your donations to St. Joseph Outreach. Please note in the memo: Thrift Shop’s shelves.

We appreciate your kindness in advance.

Outreach News:

We are in need of: Reusable Grocery Bags
The Good Sisters of Mercy at St. Boniface imbedded in us the ACTS format of prayer. “Whenever you pray,” Sister Dolorosa said often in second grade, “remember these four ways to pray: Adoration, Contrition, Thanksgiving, and Supplication.” We had some concept of the first three, so Sister only had to explain the “S” stood for asking God for things. This was all we needed, so we spent most of our time for the next 50 years asking for bikes, victories, girlfriends or boyfriends, college acceptances, job offers, healthy children, a dream house, heaven for our parents, comfort for widowed friends, no more masks, etc.

Suzie was also in the Supplication stage when husband George was diagnosed with an aggressive form of cancer. Suzie, her family, and friends all prayed the medical staff working on his case would be able to pool their various expertise to enable George to continue the active life he had long pursued. A combat veteran in two recent wars and an Army lifer, George finally retired, eager to pursue an involved and productive life as a civilian.

From the start, George was facing mighty foe. The strength of the chemo was so great, it reduced his white blood cells which in turn brought treatment cancellations. Plagued with severe side effects, there was one disappointment after another. George made it through his chemo and knew surgery was his only hope. Suzie prayed even harder.

After seven hours on the table, Suzie wrote, “The surgeon was able to perform the surgery that they wanted to do. He will still need chemotherapy for another three months, but I feel like we bought some more time which was the goal. I was once saddened by the goal...but not today. Today my prayers were answered!”

While this might not be a Hallmark hearts and flower expression for Valentine’s Day, I do think it reveals a far deeper and realistic prayer petition. As we approach our Lenten journey, then, let us ask God for the Grace we need to be more open to His plan for us, so when we ask, He will know our petitions are heartfelt and possible.
