Envelope Amounts

We are receiving some envelopes with no monetary amounts written on them. Amounts are needed to record your contributions. This is especially important if you get an end-of-the-year statement for your contributions. Please remember to put your contribution amount on your envelopes. Thank you.

Year-end Statements

Speaking of year-end statements.... COVID may have changed a lot of things; however taxes weren't one of them. Before we know it our taxes will need to be filed. If you would like a statement of your yearly contributions to the Church, and have not received a statement before, please call the rectory to request one. If you have received statements in the past, you are "on my list". I will try to get them out as quickly as possible.
