

April Showers Bring May Flowers—and also The St. Joseph Garden Gang

Once again, the parish gardeners are here to volunteer their time and talent to make sure Our Lady of Lourdes Grotto is ready for outdoor Liturgy.

Thank you, Paul Kern, Judy Krieger, Mary Wells, and Dan and Joan Mencer, for getting a start on the spring clean-up around the Grotto.

As always, we appreciate your hard work and dedication to the parish. The gardens always look breathtakingly beautiful.
