### *Covid Protocols*

*In order to ensure the safety of the teens & staff for in-person ministry we will be following the guidelines below as stated by current CDC & Government recommendations. These guidelines could be adjusted or changed as we see fit to best fit the needs of the program as it begins and grows. Any failure to meet these guidelines could result in being turned away or sent home. Feel free to reach out with any questions or concerns.*

- **Masks:**
  - Will be required for the entirety of the night.
  - We will provide masks to those who do not have one (first come first)
    - Once we run out, we will have to turn away anyone without a mask.
- **Drop-Off:**
  - You must be in line and pull up to the Gym/Pavilion door for drop-off.
  - Please do not park or let your kid out any earlier to allow for social distancing measures
- **Thermometer Checks:**
  - We will be checking temperature at check-in and anyone registering 100°F or higher will be turned away and asked to go home.
    - Due to this process, it is best to allow your child to stay in your car where it is cool until you see someone at the door allowing them to be let in.
- **Touch-Free Check-In:**
  - We will be signing your kids in at check-in for them so that they will not need to touch or handle anything themselves.
- **Hand Sanitizer:**
  - Hand sanitizer dispensers have been placed all around the school premises.
  - Every volunteer will also have sanitizer on their person as needed.
  - Spaces & Materials will be sanitized by the Core Team before and after each night.
- **Social Distancing:**
  - We will be utilizing the gym in order to allow for proper 6ft social distancing measures.
  - The classrooms have already been set-up in order to allow for this in small groups.
- **Bathroom Policy:**
  - Bathrooms will be monitored by a Core Team member.
  - We will allow only 2 boys & 2 girls into the bathrooms at one time in order to maintain the social distancing protocol.
  - We will provide sanitizer as they enter and leave.
- **Food & Drink:**
  - There will be no consumption of food or liquids before, during, or after the night.
- **Pick-Up:**
  - Kids will be told to wait for their car to pull up to the pick-up area before getting into any vehicle.
  - Kids will not be allowed to walk to their parents parked car.
