Dear Brothers and Sisters,

As I mentioned last weekend, October is Respect Life Month. It is a reminder to us of the dignity of every person, and the great need for all of us to pray and work to build up a culture of life. It is opportune in these early days of Respect Life Month to consider a very serious issue we will be asked to vote on next year in Kansas.

In the coming months we will be hearing a lot about a ballot initiative to amend the Constitution of our great State of Kansas. This initiative is called "Value Them Both". It is in response to a recent decision in the Kansas Supreme Court in which the judges claim to have found a right to abortion in our Constitution. Because of that decision, the many pro-life laws in our state, including parental notification and consent for minors, restrictions on second and third trimester abortion, informed consent, limits on taxpayer funding for abortion, among others will be nullified.

While the amendment certainly will help to protect the many pro-life initiatives and laws that have already been passed, it specifically will give our representatives in Topeka the ability to regulate abortion, and protect our legislative process from judicial overreach. The vote on the amendment is scheduled for August of 2022. Please visit valuethemboth.com to learn more about this amendment, and how we can get involved and help Kansas be a culture of life.

Yours in the Most Sacred Heart of Jesus,
Father Saiki

Queridos Hermanos y Hermanas,

Como mencioné el fin de semana pasado, octubre es el Mes del Respeto para la Vida. Es un recordatorio para nosotros de la dignidad de cada persona y de la gran necesidad de que todos oremos y trabajemos para construir una cultura de la vida. Es oportuno en estos primeros días del Mes del Respeto a la Vida considerar un tema muy serio sobre el que se nos pedirá que votemos el próximo año en Kansas.

En los próximos meses escucharemos mucho sobre una iniciativa de votación para enmendar la Constitución de nuestro gran estado de Kansas. Esta iniciativa se llama "Value Them Both" o "Valorarlos a Ambos". Es en respuesta a una decisión reciente en la Corte Suprema de Kansas en la que los jueces afirman haber encontrado el derecho al aborto en nuestra Constitución. Debido a esa decisión, las muchas leyes pro-vida en nuestro estado, incluida la notificación a los padres y el consentimiento de los padres para menores, las restricciones al aborto en el segundo y tercer trimestre, el consentimiento informado, los límites al financiamiento para el aborto proveniente de los impuestos, entre otros, serán anuladas.

Si bien la enmienda ciertamente ayudará a proteger las muchas iniciativas y leyes pro-vida que ya se han aprobado, específicamente dará a nuestros representantes en Topeka la capacidad de regular el aborto y proteger nuestro proceso legislativo de extralimitaciones judiciales. La votación sobre la enmienda está prevista para el agosto de 2022. Visita a valuethemboth.com para obtener más información sobre esta enmienda y cómo podemos involucrarnos y ayudar a Kansas a ser una cultura de vida.

Suyo en el Sacratísimo Corazón de Jesús,
Padre Saiki

Statement from the Archdiocese of Kansas City in Kansas

The Archdiocese of Kansas City in Kansas has received an allegation of sexual abuse of a minor against Father John Pilcher, pastor of Mater Dei Parish in Topeka. In accord with archdiocesan protocol, law enforcement was notified of the allegation and Father Pilcher has been suspended from the public exercise of priestly ministry pending the outcome of an investigation into the matter.

Father Pilcher denies the allegation and is cooperating fully. He will remain on leave until the investigation is concluded and the archdiocesan Independent Review Board has reviewed the case and made a recommendation to Archbishop Joseph Naumann regarding the matter.

The Archdiocese of Kansas City in Kansas takes all allegations of misconduct by church personnel very seriously and works to respond to survivors' needs with urgency and respect. We encourage anyone with knowledge about this case or about any misconduct by any church volunteer, employee, religious or clergy member to contact civil authorities first, and then make a report to our confidential report line at 913-647-3051 or online at www.archkck.org/reportabuse.
