

PROJECT ANDREW

Project Andrew is a great opportunity to learn more about the life Christ desires each one of us to live. This is a short evening for **men 16 and over**, with those in college or working encouraged to attend. During this no pressure setting you will be with other young men who are curious about how Our Lord calls ordinary men to live an extraordinary life. The evening is not about pressuring you to become a priest, but discovering how God calls everyone to a vocation. Even if you are dating, you will better understand how to listen to what Christ is asking you to do with your life.

A participant from last year said this about Project Andrew: "In high school our modern culture tells us not to even look at the priesthood as an option. But in reality God wants us to discern our vocation between many possibilities, not just marriage. This is where Project Andrew helped open my heart, and begin looking at a possible vocation to the priesthood. I saw there were many other guys my age that were open to looking into this. It also provided a great time to ask the bishop questions. It mostly inspired me to continue to grow in my prayer life, because through prayer, God can let us know if we are called. And you can't beat an awesome meal."

You will get to meet, eat, and pray with Bishop Mulvey as well as other priests. Project Andrew includes a great dinner and time for questions. The event is free and will be held at

Saint Pius X Catholic Church – Youth Hall
(5620 Gollihar Road, Corpus Christi, TX 78412)
January 29, 2016 at 6:30pm.

Please RSVP to the vocation office at 361-334-2781 or email rdimas@diocesecc.org and/or if you have questions.
