Our expected date of wedding is: _____

Requirements: Please contact your parish of baptism to obtain a **newly issued baptismal certificate** for your marriage file. A **Catholic Marriage Course** is required; therefore you will need to call the Diocese at 613/738-5025 to obtain the current course offerings in the area. We will schedule a meeting to fill out the **Marriage Form 1** and other paperwork for your wedding. We will schedule an additional meeting to plan the religious ceremony using the resource book **Celebrating our Love**. You will need to contact City Hall to obtain an **Ontario Marriage License**, but no earlier than 90 days before your wedding. We will schedule a wedding rehearsal in the church (usually) the evening before your wedding day. The parish asks for **\$100** deposit and **\$175** given at the rehearsal for a total of **\$275**. A tax receipt will be issued if requested.
