

St. Gerald Bereavement Ministry is offering a special Memorial Candle for you to remember and honor those you love who have passed away. A burning flame is symbolic of the love our deceased family members and friends take with them into eternity.

Memorial Candles will have the name of your loved one inscribed on them as they burn continuously for one week in front of our Blessed Mother or in front of St. Joseph. At the end of the week, your candle will be in the parish office for you to pick up and keep in their memory.

Please fill out this form and drop it off at the parish office, or in the collection basket. Money collected for Memorial Candles will go towards handicap accessible renovations for our church.

For information contact the Development Office at 708-422-2194 or development@stgerald.com
