Dear Parishioners,

Greetings to you from Fr. John Peter Swaminathan. Hope you are all doing well. I wanted to update you all with regard to the recent developments and efforts that we are taking in inviting everyone to participate in the fundraising for the Building Project. I strongly believe that the building committee is taking every effort to realize our goal. We are looking into various innovative methods to raise the funds necessary for our project. Two things that we wanted to present to you all.

1. **Square Terminal Credit Card Machine:** Forgot to bring your Sunday envelope, cash or check book for the Sunday Mass. No problem. We have the Credit Card Machine in the Church available. You can simply enter the donation that you want to give, swipe, tap or insert your debit or credit card in the machine. It is an automatic withdrawal machine that is quite easy and convenient. You will get the receipt, or get a text to your phone or get the receipt to your email. It is available in the Church, or you can use it for any purpose in the office, in the hall or for anything with regard to the Church activities. This is a portable credit card machine that is an all-in-one device for accepting payments and printing receipts. This is an easy way that you can credit whatever amount you want to donate to the building project, to Sunday offertory, or any other donations that you want to make towards the Church activities such as religious education fund, free will offerings for Lunch Fundraisers, or Knights of Columbus breakfast.

2. **Red Buckets on Every Weekend Mass:** From now on, at every weekend mass after the communion we will be passing the red buckets to collect any change and coins that you have brought along with you for the Mass. Remember Jesus noticed the poor widow's donation of two coins in the Jerusalem Temple and praised her for that generous donation. Whatever you donate in the red buckets is a small way that you give for the building project. Please drop the coins and the change in the red buckets. Every small drop makes it to our goal. Since, two weeks of its inception of the red buckets, it seems that it is working out well. People are showing some interest in the red buckets. We will continue to promote it more so that parishioners can respond positively.

Once again thank you to each of you for all that you are to the parish and for your financial contributions that sustain the parish ministries. We will update you all with regards to the developments. Hope to see you all soon.

Fr. John Peter Swaminathan

Estimados feligreses,

Saludos de parte del P. John Peter Swaminathan. Espero que estén todos bien. Quería informarles a todos con respecto a los recientes desarrollos y esfuerzos que estamos realizando para invitar a todos a participar en la recaudación de fondos para el Proyecto de Construcción. Creo firmemente que el comité de construcción está haciendo todo lo posible para lograr nuestro objetivo. Estamos investigando varios métodos innovadores para recaudar los fondos necesarios para nuestro proyecto. Dos cosas que queremos presentarles a todos.

1. **Máquina de tarjetas de crédito de la Terminal Square:** Olvidó traer su sobre dominical, efectivo o chequera para la misa dominical. No hay problema. Tenemos la Máquina de Tarjetas de Crédito disponible en la Iglesia. Simplemente puede ingresar la donación que desea hacer, deslizar, tocar o insertar su tarjeta de débito o crédito en la máquina. Es una máquina de extracción automática bastante fácil y cómoda. Recibirás tu recibo en papel, en un mensaje de texto en tu teléfono o en tu correo electrónico. Está disponible en la Iglesia, o puede usarlo para cualquier propósito en la oficina, en el pasillo o para cualquier cosa relacionada con las actividades de la Iglesia. Esta es una máquina de tarjetas de crédito portátil que es un dispositivo todo en uno para aceptar pagos e imprimir recibos. Esta es una manera fácil de acreditar cualquier cantidad que desee donar al proyecto de construcción, al ofertorio dominical o cualquier otra donación que desee hacer para las actividades de la Iglesia, como el fondo de educación religiosa, las ofrendas de libre albedrío para la recaudación de fondos para el almuerzo, o desayuno de Caballeros de Colón.

2. **Cubetas rojas en cada misa de fin de semana:** A partir de ahora, en cada misa de fin de semana después de la comunión pasaremos las cubetas rojas para recoger cualquier cambio y monedas que traiga con usted para la misa. Recuerda que Jesús notó la donación de la pobre viuda cuando donó dos monedas en el Templo de Jerusalén y la elogió por esa generosa donación. Lo que sea que done en las cubetas rojas es una pequeña forma que da para el proyecto de construcción. Deje caer las monedas y el cambio en las cubetas rojas. Cada pequeña gota llega a nuestro objetivo. Después de dos semanas del inicio de las cubetas rojas, parece que está funcionando bien. La gente está mostrando cierto interés en las cubetas rojas. Continuaremos promocionándolas más para que los feligreses puedan responder positivamente.

Una vez más, gracias a cada uno de ustedes por todo lo que son para la parroquia y por sus contribuciones financieras que sostienen los ministerios parroquiales. Los actualizaremos a todos con respecto a los desarrollos. Espero verlos a todos pronto.

P. John Peter Swaminathan
