**Grand Knight's Report — Bill Roberts**

Here we are entering the last quarter of our Fraternal Year still in various stages of lockdowns, locked out of our Parish Center and locked out of many businesses for over a year now. All of our activities are still seriously curtailed by the virus that escaped from a lab on the other side of the world a year and a half ago. Now we have vaccines but with them comes more dire warnings of new varieties and mutations of the virus that will keep us separated and out of our places of worship and fellowship for months to come. Please pray for an end to the pandemic and for the people who have suffered for both the virus and the response to it.

In case you haven't been on the church grounds recently, you should stop by and take a look at the Stations of the Cross. A team of Knights led by Brother Bob Stuijbergen cleaned, sanded, repaired and painted the boxes and posts for all of the stations. They all look refreshed and new. Thanks to all of you who helped get this sorely needed task done and thanks, Bob Stuijbergen, for putting it all together.

Also, in case you haven't been around the Church during the pandemic, you should know that one thing that hasn't stopped during all of this is the bimonthly visit of the bloodmobile. It still shows up on schedule and there has been good attendance by blood donors. Brother Glenn Jorden manages the blood drive program for us and has maintained the regular visits, helping to ease the blood shortage caused by the lockdowns.

**BBQ**

Although the February BBQ was cancelled due to the storm, Jim Gamblin was able to muster the Knights for the March event. Thanks to Jim and his Co-chair, Jim Luhrman, the BBQ was a great success. Thanks to all of the knights who participated and to those of you who carried some well-prepared meat home with you.

**Upcoming Events**

Look for notices about the food drive for the Abiding Love Food Pantry that I mentioned last month. Led by Glenn Jorden, the food drive will be after Easter with food drop off dates of April 25 and May 2. The drive is really necessary due to the added demand created by the pandemic lockdowns.

## Insurance Agent Report - Eddie Mazurek FICF LUTCF

Easter greetings to all my members and your families! As a time of preparation, Lent helped us focus on the sacrifice of Good Friday and the hope of the Resurrection. I hope this season brings you much joy and happiness!

That sense of rebirth that comes with our Easter celebrations also can be noticed in the change in weather. Some daffodils and tulips are poking through the soil, the temperature is creeping upward, and we hope April showers are in store and not that precipitation that has to be shoveled! As I looked around my yard I see much that needs tending to after the winter weather. I've got a few plants to transplant, some clean-up needed around the outside of the house, I see a window that's been cracked...and my "honey do" list is getting longer and longer.

I've found that I'm much more efficient with a list of chores if I write down all that I need to do. Then I go back through my list and rank order them for importance. Sometimes I get to choose the order; sometimes the order is chosen for me. In either event, the best part comes when I get to cross off the chore as being done. Maybe it's the visual of seeing one more item completed, it gives me a sense of accomplishment.

In addition to the outside chores, I have several others that always come at this time of year. I've got windows to wash and other "spring cleaning" in the house. The vehicles could use a good cleaning inside and out and I know there will be some major project to sift through a pile or maybe even a room of things we don't need, don't want, or don't fit anymore.

In keeping with that list theme, put me on the list; up at the top since it relates to your family's financial security. A virtual meeting over the computer is a way for us to meet safely and efficiently. We can discuss your needs, wants and desires. What's changed? Let's make sure nothing stands in the way of reaching your goals. The Order has provided me with a new needs analysis program (either Profiles Professional or Navi Plan) to help you track where you are, where you want to go and how well you're progressing on your financial journey.

Mine is an item you can cross off your list and really feel good about it.

Wishing you Easter joy!

Vivat Jesus!
