What's the Difference

**Growing being different had me wishing;
wishing I was the same, not this sore thumb of an image.
Different is not a word that means simple in this institution;
difference is the reason kids get bullied in school,
intelligent women have to play the fool,
and black kids couldn't swim in the same pool.**

**The word different is used to keep people in check;
to make sure the "normals" never have to fret.
"Different" is the word used when someone is a threat;
putting the fire out before it even starts;
making sure you never discover that part;
beating it out of you like a disease;
taking those things away you need to succeed;
making you bleed;
bringing you to your knees;
just so you can submit to their evil deeds.**

**Because they know what I have learned;
difference creates change, and eliminates control;
difference makes you feel and lightens up your soul;
difference means I'm me and I have equity;
difference means we are all uniquely beautiful in this big world;
and that's the best part of me;
difference means there is no longer a me, there is just WE;
if we are all different, what's the difference between
"YOU" and "ME"**

I believe his poetry speaks volumes in these days of so much discord -
and I hope and pray they will speak to all of our hearts!*
