CCD News: We are getting ready for the next academic year for our Religious Education Program. The volunteer faculty will be meeting at the Priory next Wednesday evening, August 26th, at 7 PM. We will meet in the high school room (the former house Chapel) where we can retain a safe distance. Snacks will be provided as well as bottled water. Classes for the younger students, from 1st through 8th grades, will be meeting this year in the Parish Hall - with 4 "classrooms" on each floor. The high school students will continue to meet in the Priory. A letter with more details will be sent to the families within the next week or so - please be on the look-out for that. Classes will begin the following Wednesday, September 2nd. The letter you will receive will have drop off and pick up details, as well as expectations we have for parents who send their children to our program. If you are new to our CCD program, we will need a copy of your child's Baptismal certificate - so please use the next week or so to get that ready. We are all looking forward to beginning once again, and ask for your prayers and support! Thanks!

Beginning Experience: "Coping with Life Alone" - is a grief support program that meets weekly for 8 weeks and is now available online. it is meant for anyone who has lost a love relationship due to death, separation or divorce to assist them in moving through the experience of grief and loss into a future with renewed hope. It runs from September 12th through October 31st, and requires internet access to join and participate in the zoom sessions. Contact Donna at: 816.305.3760 for more information and required registration by September 1st.

End of Life Resource Guide - the Archdiocesan Ethics Council has produced a comprehensive resource entitled: *Catholic Guide for End-of-Life and Establishing of Advance Directives*. its purpose is to assist individuals and families in making wiser decisions for these matters in accordance to the teachings of the Catholic faith. For a free digital copy go to: www.archkck.org/prolife-end-of-life-care

Virtus training is available during the Covid19 situation in an online version. This may be a great opportunity for parents, grandparents, church volunteers or anyone who is not trained due to scheduling complications for the live session. If you are interested, go to the Archdiocese Website (archkck.org) and under the VIRTUS tab, go to Adult Training, and choose the option for the online module. for questions, contact Sandy at: svielhauer@archkck.org

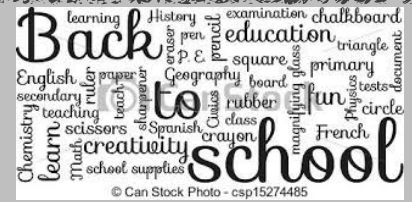

Roofing at both churches is just about complete - with a few minor adjustments and follow-up details to be completed. Thank you for your patience in this rather large project - and thank goodness we have good insurance policies! From the comments I have received, everyone seems pleased with the new look! I'm grateful for that also!

Foster Ministry Fair - The Kansas Foster Care system is overwhelmed! There are currently 7,500 in care and only approximately 2,000 families. If you have ever considered offering your love, care for children, and your own gifts to make a difference in the life of a child, you may want to participate in the Archdiocesan Foster Ministry Fair. It will be held on Thursday, August 27th from 9:30 - 11:30 AM at the Pastoral Center on ParallelParkway in Kansas City - and will also be available on Zoom. Registration is required for both in person attendance and Zoom participation and can be accomplished by contacting Debra Niesen at dniesen@archkck.org or by registering at: www.archkck.org/fosterfair

One Family: One Faith: One Future in Christ - the Archdiocesan Capital Campaign is still going on. Though it was, for all intents and purposes, put on hold during the onslaught of the Covid19 pandemic - it is still an ongoing challenge that I would like to remind everyone about. If you are in a position at this time to begin once again considering how you can participate, I certainly would encourage you to do so. If you need or want materials that describe the campaign, its goals, and the targets set for our Parishes - please let me know and I will get the information to you. Thank you for considering this reminder! As always, your generosity is GREATLY appreciated!

There is now only one empty pew separating individuals. We ask that everyone still wear masks as you enter and exit. if necessary, you may take the masks off once you are in your pew. We will continue to distribute Holy Communion as we have since we reopened. Thank you for your patience with all of these precautions.

Thank you for your faithfulness in supporting the parishes during this time - and let's keep praying that we may gather as a full community in the near future! Remember - for emergencies, please call my cell: 785.204.2447

Thank You, Lord, for Your divine protection over our children. Keep them safe as they travel to and from school.

Protect them from any physical harm while they are in school. We stand on Your Word that no weapon formed against them will prosper.

We thank You that Your angels stand guard over them and surround them like a shield.

Guard their hearts and their minds as they step out to meet new friends.

Let negative words or comments roll off them and not take root in their souls.

Cover them as they navigate this new school year and guide them in the right direction.

In Jesus' name - Amen!

Have a blessed week! Fr. Jerry

Sts. Isidore and Maria de la Cabeza - Pray for us for safety and favorable weather!
