#### Message from the Diocese:

With all the recent revelations regarding the abuse of minors and vulnerable adults in the Church, it is important to be aware of the protection programs we have in place within the Diocese of Spokane. Our comprehensive effort involves trainings for all Church personnel, age appropriate training for children, background checks, a Code of Conduct, and an entire department at the Chancery dedicated to maintaining a safe environment for our young people. Every parish in the diocese has a Safe Environment Coordinator. Kellie Trudeau fills that role for our parish. It is important to note that if you suspect abuse of a minor or vulnerable adult, contact local law enforcement immediately. If you would like to know more about what our diocese is doing to protect young people, go to [DioceseofSpokane.org](http://DioceseofSpokane.org) and click on the "Office of Child and Youth Protection" link. Bishop Daly's statements are posted to the website as well.
