From the Bishop: Schools Special Collection—Jan. 27th

In 2018, there were 82 school shooting incidents in the United States, the highest number since 1970. Shootings that occur in schools are rare events relative to other acts of gun violence. However, mass casualty events in schools can have a profound impact that pervades every aspect of school, family, and community life for many years. During Catholic Schools Week, January 27 – February 2, I am asking all parishes to take up a Catholic Schools Special Collection to help ensure school safety. This collection is a response to the growing need to upgrade the safety of our school buildings and will help to supplement the steps we are already taking to improve security.

Find a special collection envelope in each pew on the weekend of January 26th & 27th.

Prayer Shawls are available

Several prayer shawls are available at the office to anyone in need of comfort, prayer or support. Such as those grieving loved ones, those who are sick, or when a new baby is born. Please take one!
