### Mental Health First Aid Training

Mental Health First Aid Training Sessions provided by Eastern Washington University are open to the local area this month: April 15 in Chewelah and April 22 in Valley. Just as CPR helps you assist an individual having a heart attack, Mental Health First Aid helps you assist someone experiencing a mental health or substance use-related crisis. In the Mental Health First Aid course, you learn risk factors and warning signs for mental health and addiction concerns, strategies for how to help someone in both crisis and non-crisis situations, and where to turn for help. The course takes 8 hours to complete. Training is FREE. Register at [www.ewu.edu/MHFA](http://www.ewu.edu/MHFA).
