Wade Baker's Eagle Scout Project

Last Saturday, May 11th, with help from my troop, our youth group, and my teachers, four benches were installed at our parish cemetery. Two more benches are built and will be installed by the Knights of Columbus when the niche wall project is complete. I want to thank everyone for donating funds for my project and for extending your prayers for its successful completion.

Thanks to Lorna Mackowiak for suggesting to me this project. I didn't know how important the benches would be to so many people. Thank you to Father Booth and to the Knights of Columbus for their encouragement and suggestions. Thank you to Paul and Jessica Sety for their donation of materials. Thanks to the Larsen Family and to Mr. Hoxie for helping me install the benches, and to my dad, who taught me the construction skills to see this project through to the end. It is my honor to serve our parish. Thank you all for your support. Sincerely, Wade Baker
