COMING BACK
TO THE TABLE

Diocesan Guide to the Public Celebration of the Mass
“My heart is moved with pity for the crowd, for they have been with me now for three days and have nothing to eat.”

MATTHEW 15:32

“Our desire for the Bread of Life awakens in all the faithful a longing to be more a part of the mystery of the Lord’s death and resurrection, the essence of our Lord’s gift to us on the night before He died for us.”

BISHOP JAIME SOTO
The Eucharist is an essential part of the life of every baptized Catholic, and the Church has the obligation to properly administer the sacrament to the faithful.

Ensuring the health of each person in our Church is a collective responsibility, we all need to make prudent and practical actions in coming back together, mindful of the role we play in preventing the further spread of COVID-19.

It is important to give serious consideration to the safety recommendations given by medical experts, local, county, and state officials.
At this time, the public celebration of the Sacrifice of the Mass is still suspended until further notice. When the public celebration of the Holy Sacrifice of the Mass resumes, we should all expect changes that reflect the needs of the current situation. All of these are held together with a three-fold approach: oneself, our church buildings, and the actual celebration of Holy Mass.

All are called to greater patience, charity and understanding during the transition.
Each should consider his or her own health. Those over 65 or with a vulnerable condition should shelter-in-place. Each person must make a prudent decision, for this reason the dispensation from the obligation to attend Sunday Mass issued by Bishop Soto remains in force.

While understanding the prominence of the Sunday Mass, the faithful are encouraged to attend Mass during the week as these usually have smaller crowds.
Preventing Ourselves to Return to Public Mass

Observance of the Third Commandment of keeping the Lord’s Day Holy is to be kept in mind always. The faithful should incorporate pious practices which help to sanctify the Lord’s Day. For example: the recitation of the rosary, reading of scripture, praying the Liturgy of the Hours, and communal family meals.

The use of PPE (e.g. gloves and masks) are strongly encouraged for all attending Mass.

Prepare ahead of time by checking your parish schedule, the maximum number of people allowed for Mass and the system in place to control the attendance at each Mass.
If you are feeling sick or exhibiting symptoms,
**PLEASE STAY AT HOME.**

If you have been in contact with someone with COVID-19,
**PLEASE STAY AT HOME.**

If you are not feeling well,
**PLEASE STAY AT HOME.**

**Symptoms that need to be given serious attention and require the exercise of caution:**
- Temperature above 100.4 F
- Cough or sore throat
- Recent loss of smell or taste
- Chills
- New muscle aches
- Gastrointestinal upset and diarrhea
While we are eager to return to church and enjoy our parish community, we still have to make some modifications.

Physical distancing remains the norm. Six feet of space needs to be kept between individuals or families and other families or individuals. Things like seating, entrances and exits may be different. Be sure to follow any instructions or signs posted to help you with these changes.

Socializing and fellowship after Mass should be avoided if possible or at least minimized.

Churches will need to be sanitized after each Mass. Things like missalettes, hymnals and other shared material will be removed from our churches. Be sure to take advantage of hand sanitizer when it is available.
Physical Distancing must always be observed! We will see some changes in how things are done or who does them. Those over 65 and those with vulnerable conditions are asked to allow others to fill liturgical roles, for the time being.

Please remember not to hold hands during the Our Father. The exchange of the Sign of Peace during Mass is still suspended.

Remove masks and gloves for Holy Communion. It is encouraged to receive Holy Communion in the hand. Take advantage of hand sanitizer if it is available.

Follow whatever exit instructions you have been given. Don’t be disappointed if Father doesn’t greet you after Mass, he’s trying to be a good example.
As we adapt to these changes, all are called to greater charity and understanding during the transition.

Let our hearts be thankful that once again we may gather for Holy Mass and receive the Lord in Holy Communion!
